## A Word from Preacher Kenny & Miss Lynn

Another week without worshipping together at our church family is different, sad, and God's Plan for us at this time in our lives. We miss seeing, hugging, catching up and loving on everyone. It has been a long time for us because of our trip to Africa and being quarantined for two weeks. Even though we have been married for 49 years, we can still learn about each other---frightening thought---not really. We are enjoying this time together. We do talk a great deal about living one without the other. We both think that we are the one who will go first, if we don't go together (Lynn's prayer). We have to talk to about this together. We have decided we need to clean out of all of this stuff. Our two boys will not want all of the STUFF. You can laugh with us---no problem. We are getting to this point in our lives. Kenny is praising the Lord for Tylenol and CBD oil.

On another note, we can make Easter in our hearts even though we are not together. The women were the first to see the RESURRECTED JESUS. "Jesus said unto her (Martha), I am the resurrection, and the life; he that believeth on Me, though He died, yet shall he live." John 11: 25 We can praise the Lord for coming into our hearts, so that we can live with Him forever. No COVID-19,

P.S. Just a note for the children. The Easter Bunny visited our house this morning. Kenny said the Easter Bunny was coming. I laughed. When I went on the porch to feed our little dog, Foxy, the Easter Bunny had visited. He filled my two baskets with beautiful flowers and added three hanging baskets. I am excited to say the least.
