INFORMATION REGARDING COVID-19

Please know that we are doing all we can to keep everyone safe! We will continue to provide services with extra precautions in place. Please see below the steps we are taking to ensure everyone's safety.

1. Lil' Dreamers Preschool will be closed until at least April 16, 2020. Speech therapists will be contacting students to officer individual speech therapy appointments. Parents/guardians will receive communications through the Remind app and text message from the Preschool Director, Blayke Turrubiarres, with details as changes are made.
2. Your therapist or 1:1 staff will contact you prior to your scheduled session. He/ she will ask if your child or anyone in your home is ill (fever, cough, cold/ flu symptoms). If anyone in the home is sick, we will not work with your child that day. If you do not plan to keep your appointment, please contact your therapist/ 1:1 staff asap. Likewise, no one will work with your child if he/she is sick.
3. Our offices will be open for speech therapy but our waiting room will be closed. Please text your therapist when you arrive. The therapist will meet you at the front door. He/ She may be in a session so please be patient until he/ she comes out. You will be asked to wait in your car until the session is over and then the therapist will bring your child back to the car.
4. Therapists wash their hands before and after each session. Materials used during therapy are disinfected between sessions.
5. We are disinfecting and removing all trash on a daily basis. Please help us by washing your child's hands often.
6. To stay up to date on information, please check our website, www.dreamweaversnc.com, and Dreamweavers Unlimited on Facebook.
7. For up-to-date information on COVID-19, please go to the following websites:
 - a. Centers for Disease Control & Prevention (CDC): www.cdc.gov
 - b. NC Department for Health & Human Services (NCDHHS): www.ncdhhs.gov

Thank you for your patience and cooperation!
