Welcome to...

**OUR town STRASBURG..."RIGHT! in the Middle of Everything."**

Strasburg has a small, clean, hometown environment with friendly people and a progressive attitude for planned growth. Strasburg is conveniently located in the middle of four (4) more-populated towns offering shopping, restaurants and entertainment. We are within a short drive to four (4) major cities that have any amenity you want. We are located between three (3) lakes offering great beaches, boating and fishing. We are also situated at the edge of Hidden Springs State Forest, where there is great hunting, fishing, picnicking and walking trails. And, for the golf enthusiast, we are near eight (8) golf courses.

The Village of Strasburg has a TIF District, which gives us an opportunity to offer you a variety of resources including great incentives for building a home or starting a business in the form of tax abatements and other advantages. The community, in general, also has lower taxes.

Our community of 500 consists of people who primarily work in surrounding towns. However, our residents find that living in Strasburg offers a quiet, peaceful atmosphere to raise children, relax and/or retire. With an emphasis placed on high standards to ensure a pleasing quality of life, we are proud of what we have to offer. There are four active churches offering programs for all ages especially focusing on children's activities. Our school district offers some of the best educational programs available. We offer a beautiful park featuring a covered bridge, tennis court, basketball court, baseball diamond and a walking path. An impressive Veteran's Memorial has been erected close to the park.

Strasburg residents are extremely proud of their community. With a progressive Village Board of Trustees and the SCAN group, each meeting the needs of the community, Strasburg is ready to meet the demands of our growing population. If you are interested in a smaller community, we would love to show you:
