LIVE THE LITURGY

Inspiration for the week

Sometimes, especially when life gets overwhelming and difficult, we can find ourselves feeling a bit downhearted and miserable. Wallowing in this uncomfortable darkness seems to be our norm and it's difficult to see a way out of, or through, this experience. If we listen carefully enough, we will hear God's voice calling out deep within, beckoning us to seek out its source and discover the inner calm and peace that can prevail over the darkness of despair. Faith tells us that God has already begun the creation of a good work in us and is with us, bringing it to completion, until Christ Jesus comes again. It is this light of God's glory for which we are asked to pave the way and straighten the paths of our lives so that it can shine. With all that life can ask of us and bring to us, it is our task to constantly discern what is of value. So that we do not get so weighed down by things that we no longer see, or feel, God's salvation.

SAINT OF THE WEEK

St. Nicholas of Bari (March 15, 270 – December 6, 343), the bishop of Myra in the fourth century, is the saint that Santa Claus is modeled after. Known for his kindness and generosity to the poor, the story has it that St. Nicholas once tossed bags of gold through the open window of a poor man's house to help his daughters avoid a life of prostitution.

According to legend, the gold landed in stockings dangling on the corners of the beds, which is why many of us celebrate St. Nicholas Day by hanging stockings and filling them with candy, fruit, and small toys.

Not much else is known about this beloved saint, but regardless, his reputation as a generous man continues today.
