

7 **Other Residents.** You shall have no right to object to or determine the admission, terms of admission, placement or dismissal of any other resident or non-resident participating in any of our programs. We may enter into agreements with other residents which contain terms different from those contained in this Agreement. Despite such differences, this Agreement alone sets forth your rights and obligations with respect to your residency at the Community.

8. **No Assignment or Subletting.** Your rights and privileges under this Agreement are personal and non-transferable. Without limiting the foregoing, you may not sublet your Unit to any other person.

9. **Pets.** Pets are allowed subject to our prior written approval. If you keep a pet at the Community, you shall abide by the Community's pet policy, as set forth in **Appendix D**.
