**“A SLIVER OF THOUGHT CAN CHANGE YOUR LIFE”**

Rev. 3:20-22.

The *Genesis Moment*. The moment when God speaks to you.

The Genesis Moment- a thought, more than a natural occurrence, it is a *door opened* to God’s insight for you.

REALITY has changed.., it is a new you, a new normal.

Rev. 3:20-22 HEAR- OPEN- ENCOUNTER- JESUS!

Hear-

There is a real spiritual power in a sliver of thought from God.

In other words- you are becoming “unselfed.”

The genesis moment is when you realize it is not about you...., it is about God in you.

I had a “sliver of thought” moment Friday night:

*“This is God’s home.”*

From a scriptural truth.. to a living reality!

TODAY what is God saying to you?

Jesus is standing at the door.., knocking... will you open it?

Will you hear Jesus?

Jesus wants to give you a *sliver of thought* that will change your life!
