Soroptimist International of Grosse Pointe
July 2023

President's Message - Happy 67th Birthday to Us!

Did you know that SI of Grosse Pointe was chartered on July 14, 1956, with 18 members? Well, 67 years later we are now 53 strong!

As we enter our 67th fiscal year as a chartered club, we will embark on new fundraising ideas, programs and membership events while keeping the mission of Soroptimist alive. Our mission is:

Soroptimist is a global volunteer organization that provides women and girls with access to the education and training they need to achieve economic empowerment.

If you attended our June meeting, you had the pleasure of meeting three of our new members, **Cindy Gohlke, Gwen Shannon, and Sharon Zmick**. During the induction each woman was given her SIGP name badge and a single yellow rose representing friendship. Welcome ladies!

Our auction for the La-Z-Boy gift certificate was awarded to SIGP member Francine Pegues with a donation of \$500 to SIGP. THANK YOU, Francine.

July is the time when we start gearing up the application process for our awards. In order to provide women and girls the access they need to achieve their educational goals, they need to be informed about how to apply and where. We are looking to you to help with this. By distributing flyers, posting on social media pages a link to our website (<https://www.grossepointesoroptimist.net/educational-award-applications.html>) and distributing business cards in the community, these women will be able to apply and have a chance to make a difference in their lives.

Just a note to remind you that our **August** meeting will be at the Grosse Pointe Shores Osius Park located at **800 Lake Shore Rd, Grosse Pointe Shores, MI 48236** and a potluck dinner is planned. See page 5 for details.

Make sure to also add to your calendar our **Wednesday, July 12**, meeting, which will be held at Fishbones starting promptly at 6:30. Feel free to come early to get settled in. Thank you for your continued support!

— Karrie Blankenship, SIGP President

The name Soroptimist was
coined from the Latin
soror, meaning sister, and
optimus, meaning best.
Soroptimist is perhaps best
interpreted as
“best for women.”

MENTORING for SUCCESS

This is how our Soroptimist mission plays out!

June 19, 2023 - What a warm lovely evening at Bette Lepouttre's home where mentees **Desiree Perry, J'nai Baker and Tonesia Nesbitt** gathered with SIGP mentors Katherine Baetz, Lori Schumann, Gwen Shannon, Karrie Blankenship, Maureen Anthony, Bette Lepouttre and myself. Mentees shared stories of their educational endeavors this past semester while enjoying pizza, salad and Maureen's homemade brownies! After dinner Katherine led a discussion on recognizing stress and simple ways to relieve it in daily life. Just listening to her quiet calm voice relaxes you!

When the semester ends, **Desiree Perry** will graduate from Macomb Community College. She is currently working part time. Congratulations, Desiree!

J'nai Baker began online classes from AZ College of Nursing on June 26. Her young daughter, Jaycee, had fun playing with Auriel, one of Desiree's children.

Tonesia Nesbitt was awarded a scholarship for summer from Women's Independent Scholarship Program (WISP). Congratulations Tonesia as you continue on your educational journey to nursing!

Jamie Pakula, a LYD awardee from this year, graduated with her ADN (Associate Degree in Nursing) and is working at Henry Ford Main as a surgical nurse! Her response: "Loving it!" She and daughter, Aurelia, have camping plans and a trip to Seattle to visit family.

Delia Mustin, LYD awardee from 2021, has moved into her new home and is working full-time.

Maureen Anthony, Lori Schumann, Desiree Perry (LYD), Katherine Baetz, Gwen Shannon, Diana Langlois with Chase Baker, Bette Lepouttre, J'nai Baker (LYD), Karrie Blankenship, Tonesia Nesbitt (LYD)

Turning Point – SIGP members help at warehouse

In June, SIGP members helped organize donations at the warehouse of Turning Point. Four busy beavers helped make sorting and shifting of boxes “short work”! They also did a little shopping!

Hats off to SIGP members Mary Bryk, Bette Lepouttre, Carol Hofter, Mary Ellen Burke, and Liz Lucas (not pictured) who gave up their time to volunteer at Turning Point.

The new secondhand retail shop is clean and organized. Proceeds help women in need! Turning Point is working to provide a home for trafficked survivors. SIGP hopes to be supportive as we gain more details on this initiative.

If you missed helping in the warehouse, there will be more opportunities in the future!

— *Bette Lepouttre, SIGP President Elect*

P.S. If you want to visit, or drop off donations, Second Hand Rose Retail Shop is located at 36660 S Parkway just south of Metro Parkway in Clinton Township (southeast corner of Gratiot & Metro Parkway).

Join us at Grosse Pointe Shores' Osíus Park in August

The SIGP business meeting on Wednesday, August 9, will be held at the outdoor pavilion of Grosse Pointe Shores' Osíus Park.

Join us at 6:30 for a potluck dinner and summer social. Feel free to bring an appetizer, dessert, or dish to share if you wish.

We will have a brief meeting, while we get to know other members and hear stories from members who've just returned from the Soroptimist International conference in Dublin, Ireland.

Contact Kerri Green at (jazzykerri@yahoo.com; 586-651-9222) OR Roseanne Horne at (rosewa33@aol.com; 313-706-1801) with any questions.

P.S. Do not confuse this with the July 12 business meeting that will be held at Fishbones. See page 3.

POSITIVE IMAGES: Service Project #1

SIGP members Dawn Riddle and Cindy Gohlke assembled 20 new WELCOME KITS for the incoming Positive Images clients on E. Grand Blvd. They were delivered on Saturday, June 24, to Charlotte Hunter, the administrative supervisor of the residence. It's great to have new members take active roles in helping women of the community!

If you are shopping and see any of the items listed below on sale, please feel free to pick up 20 for the WELCOME KITS and bring them to Dawn Riddle at 750 Westchester in GP Park! She will gladly store them.

We anticipate doing 20 WELCOME KITS three times a year.

This service project does not interfere with the Mother's Day gift bags since the clientele at the Positive Images E. Grand Blvd. intake house is quite transitory. Charlotte tells us the clients really love the actual bag which are placemats sewn together by Dawn!

— Diana Langlois, SIGP Membership Chair

Charlotte Hunter and
Dawn Riddle.

Items in WELCOME KIT:

Notebook journals, pens, soap dishes, soap bar, cotton underwear all sizes (small to X-large), cotton socks size 9-11, combs, nail polish, nail files, small lotions, small shampoo, small conditioner, and anything else you may see that could fit in the bag.

See the beautiful welcome kits below left.

Positive Images Service Project #2

Let us introduce you to two men and a SIGP member who have provided computers and set up a reliable internet at Positive Images

Gordon Chan started Tech Shield 24/7 [<https://ts247.com>]. Tech Shield provides tech support for companies not large enough to have an IT department. The company (actually Gordon's) donated both the equipment and time to set up an original computer lab at Positive Images on Coplin and Warren streets in Detroit.

Mike Lucas, husband of **SIGP member Liz Lucas**, donated his time and talent to get the lab up and running. Now Positive Images has a reliable internet connection.

Once upon a time, Mike worked a tech job in the Detroit area. His specialty was network architecture and security. He also worked to help build the internet when it was a DARPA project before it went public in the 1990s. Now that's coming in to the 21st Century from the ground floor!

Mike ran a data center for a consulting firm that handled large local and worldwide networks. Mike hired several people for his team and Gordon Chan was one of those people.

Time moves on and since no one else was doing it, Mike wrote books about the Big System tools. He found and filled an empty niche. In the 2010s his success in publishing meant he could stop the 9-to-5 headache and write full time. He has been writing ever since. He now has well over 50 books written in addition to other publications. (<https://mwl.io/>)

Tech Shield 24/7 donated enough equipment for the lab at the Coplin building to create six full stations with Windows 11. These computers are exactly what you would find if you walked into any office job.

Mike, along with **SIGP member Lillian Frazier** set this up in June.

Mike and Lillian have developed a working lab with stable internet access at Positive Images. Lillian identified several areas of online weaknesses that she is working on to ensure the personal safety of the clients of Positive Images.

SIGP is grateful to Gordon, Mike and Lillian for their interest and hard work in bringing Positive Images up to date. The lab will provide the organization's clients with internet access as well as the ability to practice on current computers they may find in their future workplaces. Thank you SO much!

After 6 on Kercheval

Second Year Raising Awareness

This is the second year our club has participated in the popular street fair called After 6 on Kercheval. Despite the heat, SIGP members (above L-R) Karrie Blankenship, Mary Bryck, Bette Lepouttre, and Mary Ellen Burke promoted our club. As you can see from the photo, they set up an impressive display. A big THANK YOU for putting in the time!
