[President's Message](#)

It looks like we are done for another car season. It was pretty good for the most part. Looking forward to spring.

I would like to thank everyone for your support on my 2 recent elections. First for our club's President (6th term, 12 years) and second for CTCI Region 1 Director. I will do my best for both jobs.

We had a great Fall colors cruise along with 3 other Thunderbird Clubs to Lambertville. A special thanks the NJTA members Dwight & Marsha Dixon for inviting us and to Joanne Seiler for putting together our portion of the cruise and the goodie bags she gave to everyone in the 4 clubs that were there. We had had 28 members. Even though rain was predicted we had 9 vehicles including 5 baby birds.

We will be gearing up for our Christmas party on December 7th, so mark your calendars.

I hope you did not miss the Fall Club Clothing sale. We will open it again in the spring.

If you have not seen the video of a live TV report in California of the reporter damaging 3 T Birds plus a new Explorer you can see it on our web site under Thunderbird Videos (about 1/2 way down the page) It was very upsetting.

Stay Safe and pray for our members who are struggling with health and other issues

VETERANS DAY

HONORING ALL WHO SERVED

October Meeting

The host for this meeting was Paul Dorne. The weather was rainy and the birds stayed home.

The turnout was very big. Good food and great people. Thanks to Paul for hosting

Highlights of the Business Meeting

. The minutes of the last meeting were read and accepted as was the treasurer's report.

As there only one nomination each for President and CTCI Rep., the Secretary cast a vote for President and since the Secretary was also the nominee for CTCI Rep. the VP cast the vote for the CTCI Rep as provided in the by-laws.

A guest was introduced, Michael, who may be interested in the club. He has a 55 Bird

It was mentioned the Pat was elected CTCI Director for Region1

Pat reported on the Fall cruise

Arlene went over plans for the Christmas party. We will need a Mrs. Claus (anyone?)

Donna reported on plans for the caravan to the Sarasota convention. Two separate groups are going, lead by Donna and Rich. Those going should contact them for details.

We have been invited by the Mercedes club to go on tour with them of the Thomas Edison home and laboratory on Nov. 23rd. Cost is 15.00. Meeting at Llwellyn Park in West Orange at 9 AM. Contact Lucille for details

Joanne has not heard from the person that is supposed to be hosting the November meeting so alternate plans are being made - it will be a pay your own way meeting. (Note - John Pyrros later volunteered to host)

Lucille won the 50/50

Next meeting November 17th

Vice President's Message

Today we had our monthly meeting, we had a great turn out of members even though the weather was very heavy rain. Thanks Paul Dorne and Julie for hosting.

As far as we know Wendy is holding her own, Joanne is not feeling that great, but staying strong as always. Dorothy Guidone had a serious fall in her home and fractured her tail bone and pelvis. She is rehab for the next 4 to 6 weeks. If you would like to send her a card send it to her home and Phil will bring them to her. Please say prayers for a speedy recovery. Also Bob Heissler's lady friend , Judy is not doing good health wise, please keep her in your prayers. A long time member of CTCI, who most of us know, CL Hood suffered a very serious stroke on Friday, his whole right side is paralyzed. His wife, Sandra has been by his side. We will also keep him in our prayers.

On November 23th, the Mercedes Club has invited us to join them in touring the Edison House and Lab in West Orange. If interested, please let Lucille Chabala know as soon as possible.

We had an excellent time on our Fall Cruise. Weather was rainy, but we drove to Lambertville, NJ. We had a nice drive and a great brunch. There were three other Thunderbird Clubs at the brunch. Thanks Joanne and Pat for putting the route together.

Our next meeting is November 17th. Meeting at Delizia's at 2 PM . John Pyrros is hosting after a member who is supposed to host meeting has not returned calls to Joanne after he said he would host the meeting.

Time for our Christmas party. Saturday, December 7th, 5:00 pm at Bella Italia in Orange, NJ (same as the last two years). \$130.00 per couple (yearly dues paid), \$65.00 individual (half year dues paid). \$25.00 grab gift each for lady and \$25.00 for man. Bring a gift get a gift. We also ask you bring a gift for toys for tots unwrapped. Please mail me your check by November 25th. I will not be at the next meeting, so you can also give your money to Joanne. (Cont'd on Page 4)

For those of you who are planning to drive to Florida's convention, Donna Jesse and Rich Martin will be Wagon Masters. Both groups will be leaving on May 1st. Fall Cruise

Despite the looming chance of rain we had a good sized group attending along with 5 early birds, two retros and a bird precursor. Joanne and Pat set up the route which was prettymuch direct as we had to meet others at the brunch site. The group meeting at the brunch site, besides NJORTC, was the NJTA (which initially set up the outing) and two other TBird clubs from the local area. The Lambertville location was nice, which overlooked the Delaware River. The food and the service were very good. We had a total of 28 members attending. And the skies did open up later.

Thanks to Joanne for some of the pictures

NJORTC Club Plaques

I have two club plaques that I want to give away. One is an older one and one is a newer one. The only fair way I know to pass them off with be a drawing. For those who do not have a plaque and has a Tbird and wants one please send me your name. I will have a drawing at the next club meeting. Attendance not required Paul S.
