

## ABATE REGION 19

July 6, 2021

We welcomed Vince Consiglio's wife Pam to our meeting.

Our new meeting place, Shark's Club, worked out very well again, so this will be our new meeting spot.

LEGISLATIVE REPORT – Hess is our new Legislative Officer; thanks for stepping up to the plate! Hess gave us the legislative report, telling us how important HB4809 is. He had written a letter for us to mail to our House Rep; he had e-mailed this letter to Region 19 members and also brought copies to the meeting. He also passed out the phone numbers of all the House Reps that are on the Insurance Committee and urged that we contact them as well.

Vince C. mentioned that Region 19 has the most House Reps (5) that are members of this Insurance Committee; shows that Region 19 plays a key role.

Treasurer's report: Pete gave the report, which was approved.

Awareness: Pete brought the Motorcycle Awareness yard signs. Since they do not mention ABATE, they can be posted anywhere. These were funded by our motorcycle registration fees.

Our Summer Ride is August 21 going to Irish Hills with a stop for lunch at Jerry's Pub and Restaurant on the lakefront. Ride leaves from the Shark Club, 6665 Highland Rd, Waterford Twp, MI 48327
