The Final Countdown?

One would surely hope that the Resurrection-Rapture Event would be this Year. One would hope as the World and the USA is unraveling before everyone's Eyes. The subsequent 50 Day Counts will be the clincher for sure in 2024. It started with the 3rd Great American Eclipse of April 8. From there, approximately 50 Days is when the June 2 Planet Parade occurred. From there, the next 50 Day Count approximately coincides with one's July 23 New Wine Theory, if it is to pan-out, then Great.

If not, then a next Summer. Many Brethren are also speculating other Dates for various Reasons, so there is a bit of 'Completion' and Expectation. As with every Year, the End Times Watchers are just Cycling through the High Watch Days, et. But yes also about how Dr. Awe and now others on YouTube are seeing the New Interpretation of the Levitical 23:16 Scripture that established the Double-Count. The New Wine Pentecost Theory is catching some Traction but with Mixed Responses. And according to his Calculations, the 9th of Av is what they come-up with.

One can see their Day Count based when the 'Morrow of the Sabbath' is meant to be started. From Brother Tyler's Video Teaching, he and Dr. Awe are planning a Teaching Video specifically about it, how they surmise the 9th of Av is what occurred in Acts 2 and Mount Sinai. One had emailed my 'Sinai Pentecost' Day Count Chart to see how, by just using the Day the Israelites left Egypt, Nisan 15 and when they arrived at the Foot of Mount Sinai cannot support a 9th of Av Day Count.

However, as one has commented on the Day Count and Feasts of YHVH, one has stated, in one's Opinion, that all High Watch Days pertaining to the Possible Rapture High Watch Days will come and go. Why? This is because, True, it is that the Day Counts are based on the Rabbinical-Lunar Calendar.

One is more convinced that the Correct Shavuot corresponds, for the Year 2024, corresponding to the Date of June 2nd. The Point is that one just touches upon the Day Count Discrepancy that even with Dr. Awe counts the 'Complete Sabbaths, there is still a 10-15 Day difference. This approximate 10 Day Difference in the Rabbinical Calendar is what some have suggested was and is Prophetic.

Calendar Interpretations

For example, Dr. Ken Johnson who wrote a Book about the Dead Sea Scrolls and the Calendar of the Essence was based on a Solar Day Count, etc. Then it is also True that in the Book of Jubilees, there is a Prophecy that stated how the Jews were to veer-off from the Solar Calendar and solely rely on the Lunar Cycles. Here is the Solar Calendar based on the Equinox that approximates the more correct Day Count showing that July 22 is the New Wine Date.

So, perhaps the June 2 Planetary Alignment is 'Leading the Way'. Now as to the Death of Raisi of Iran? It could very well be a Divine Judgment. But if that be the case, there should be a lot more Crashes of World Leaders going on. Now to be clear, one does not subscribe to the Interpretation that if you 'Bless Israel', or 'Curse Israel, that will be instead done to you. Nowhere in the Bible does it say that. In Genesis 12:3, it is specifically referring to Abraham. Now in turn, his Descendants that would possess the Promised Land is what is the Context of his Future Prodigy that would occupy that Land, i.e., Israel.

But that Blessing is on Abraham proper, not the Nation although it follows. It is a Dichotomy then of an Earthly and Spiritual Descendance. This then is to include both the Jews and Ishmaelites and then the Church Age Believers, i.e., the Sand of the Seas and the Stars of the Sky, etc. In Principle, one could extrapolate the Notion based on Circumstantial Inferences. Israel does not have a Blank Sheet to do as it pleases. Not especially as it is controlled and run by the Synagogue of Satan. And remember that after the Rapture, they will accept 'Him who comes in his own Name'.

But Israel is the Geo-Political Representation of YHVH on Earth to the Nations. One does remember back in 2013 when Hugo Chavez of Venezuela in 1 of his Constituent Meeting publicly cursed Israel. When one saw and heard him say that? He and Venezuela would be basically 'Toast' as they say. He died that same Year. He contracted Cancer and died and the Nation started to eat their own Pets to not starve. Over 5 Million fled to neighboring Nations as he implemented Socialism and collapsed the Economy.

In-Gathering

Back in November of 2023, Turkish President, Tayyip Erdogan, in an Address to his Parliament declared Israel a Terrorist State'. He stated that, 'Your Time of Death is coming' for Israel attacking as a response to the October 7, 2023 Hamas Attack on Israel.

Sure enough, the 50 Day Countdown from the Planetary Alignment of June 2nd will be July 22nd. Then note, that based also on what one has deemed, 'A 2nd Witness', it is the 23rd of July that is the Astronomically Leo New Year. It commemorates the End of the Wheat Summer Harvest. It is technically the Winter Wheat as it only takes approximately 4 Months, from Planting to Harvesting, etc.

As to the Greek Word Dwelling ro Katoikeo? Yes, one has heard others like Tyler at Generation 2434 go over it. He is more convinced it pertains to the Jews that were there Permanently residing in Jerusalem from all 4 Corners of the Earth, as they say. But it does not take away from the fact that Pilgrims from all over the World also showed up.

Here is a Gray Area in that if it was just Jews living there in Jerusalem at the Time, then this In-Gathering Feast of First-Fruits would not be what occurred in Acts 2. This is to say that the Feast that required the Fighting Men of Israel to be Presented before YHVH and counted was on the 1st Count of the 50 Days. This would be then the Shavuot that the Jews celebrate only, to this Day.

However, if the In-Gathering is inferring at the 2nd Day Count of the New Wine, then it would be symmetrical in how the Acts 2 Pentecost is right in the Middle of the Spring and Fall Feast. One tends to be more convinced it is the latter in that YHVH is a GOD of Symmetry. One could be wrong but here is an Illustration that shows Divine Symmetry.

So, perhaps the 'Final Countdown is upon us. One really hopes the Resurrection-Rapture Event is this Year. But also, many End Time Watchers are insinuating that if the Rapture occurs this Year, from now until Yom Teruah or Feast of trumpets, that the Tribulation Period will then immediately start also in the coming Fall.

One does not see that, as one is more convinced, a Time-Gap will have to be in Order and in Place to transition the World into the New Luciferian World Order. The 3rd Temple has to be built. There are those who say that the Temple is already pre-fabricated and just will then be assembled at the Temple Mount like a Lego-Set. Meaning that it can go up rather fast. This might well be True but the Ashes of the Red Heifer Ceremony has to be performed and procured before all that. At least in one's Understanding. We shall soon see.

It is Finished

As many End Times Watchmen seek to narrow-down the Rapture Timing, it has mainly been predicated on the Harvest Types and Feasts of YHVH. One would agree to that, as one is looking at the Summer Wheat Typology, concerning a Boaz and Ruth Prophetic Pattern for example. But there is also the Typology of the 7 Churches and the Bride of Christ to also consider.

The Bible also likens the present Church Age as a Woman or a Church Building that is being 'Constructed'. This is the Prophetic Pattern of how YHVH used the Material of Adam to 'Construct' Eve with. Realize this very important realization. It was Adam that was Created from Earth, from the 'Red' Clay of the Ground as that is what Adam means, 'Red', etc. But as Eve was taken and 'Build-Up' from Adam, so is the Bride is from Jesus, the Greater Adam, etc.

'As you come to Him, the Living Stone, rejected by Men but Chosen and Precious in GOD's sight, you also, like Living Stones, are being built into a Spiritual House to be a Holy Priesthood, offering Spiritual Sacrifices acceptable to GOD through Jesus Christ. For it stands in Scripture: See, I lay in Zion a Stone, a Chosen and Precious Cornerstone; and the one who believes in Him will never be put to Shame'. -[1 Peter 2:5](#)

This Factor could be another overlooked Key in helping determine the Rapture Zone or Timing Why? It is because once Eve was 'Finished', YHVH brought her to Adam. This will be the case that the Holy Spirit, once 'done' constructing and building the Bride, with that 'Last Brick' of a Redeemed Soul will present her to Jesus. And in turn, Jesus will present His Bride to the Father in His House...in Heaven. This is what will occur at the Rapture.

But one's Point is that if the Church Age has been like that Time Period of a Construction Project, and it is about to be completed, what if it follows, prophetically a similar Typology as when Solomon, the Type of Jesus, the Man of Peace took to build the Temple? Notice that it took Solomon 7 Years to complete the Temple. Consider 1 Year for each of the 7 Churches. And then the 7 Churches as 7 Periods of Time in History since Pentecost.

1 Kings 6:1

Solomon began to build the LORD'S Temple 480 Years after Israel left Egypt. He began building in the Month of Ziv (the 2nd Month [Iyar] of the 4th Year of his Reign over Israel.

1 Kings 6:38

In the Month of Bul (the 8th Month) [Heshvan] of the 18th Year [6-6-6] of his Reign, the Temple was finished according to all its Plans and Specifications. He spent 7 Years building it.

This is why, in one's Estimation, the Church Age 'Building' or Temple will coincide on its Anniversary as it was for King Solomon. Perhaps, but notice that the Temple's Beginning was tied to Mount Sinai.

There is not much to go on but there are Clues buried deep in Scripture about it. If the 7-Fold Church Age is a 2 Day or 2000 Year Metaphor, then if the Rapture is in 2024, it will only mean that if one uses one's Crucifixion Year of 32 AD, it will be 1,993 Years, with the last Year, all-inclusive. This means that it takes 7 Years to reach the 2000 Year Time Marker. Will that 7 Year Discrepancy mark the 7-Year Tribulation Period, all-inclusive too?

LEO NEW YEAR RAPTURE THEORY

Rendezvous at the Lion's Gate

People often say the following when asked about, 'When is the Rapture to occur?' They say, 'No One Knows the Day or the Hour'? Does that Verse in the Bible really pertain to the Rapture Timing? The purpose of this Book is to delve deep into this Question that has been Contemplated, Contested and Consternated for nearly 2000 Years, since the Church Age began or was Initiated with 'Power from on High' in Acts 2. One will present the Circumstantial Evidence of one's Research, spanning Decades worth of Study and Inquiry.

PENTECOST NEW WINE

Summer White Wheat Wedding

The purpose of this Book is to provide a Compilation of Articles over several Years of 'Discovery into the Journey of Identifying where and when the True Count of Leviticus 23:15-16 occurred, i.e., the Feast of New Wine, precisely at a 99th Day Count. The challenge that his Book tackles is what is the Start Date? Why? This initial Start Date will determine the exact Day in which the Feast of New Wine, and thus the Pentecost of Acts 2 occurred. The Book will present Evidence that there are at least 3 main Theories based on differing Calendar Start Dates.

CRUCIFIXION

Circumstantial Evidence why it was in 32 AD

When was Jesus Crucified? Was it in 30 AD? 31 AD, or 33 AD? This has been 1 of the most Profound Questions, that has been Debated since the Church Age started with Jesus' Death. Can the Year and the Week Day be Determined? Is there any Evidence to suggest a More Accurate Year and Week Day? The Research one is providing in this Book, is one's Best Attempt in Showing why one is More Convinced of a 32 AD Crucifixion Year. One is not attempting to 'Convince', or to 'Prove' the Year, as that is beyond one's Ability.
