

Junior Little Links Camp at the Sault Golf Club

Our Little Links Camp is the perfect introduction to golf for young players ages 5–7. Designed to be fun, active, and engaging, this camp focuses on basic fundamentals, coordination, and confidence-building in a safe and supportive environment. Through games, creative drills, and team activities, juniors will develop foundational skills while learning golf etiquette, sportsmanship, and respect for the course. Most importantly, they'll build confidence, make new friends, and have a blast discovering the game!
