Public comments or request:

Chairman Meadows ask if anyone had business with the Commission. Vicki Coyle requested to address the Commission. Mrs. Coyle stated the home and garage on her property at 13 Church Street is not worth being repaired and ask that she be allowed to put a small building that does not meet regulations (square footage is less than 600 square feet) on the property to live in until she would be able to remove the existing buildings and rebuild. The Commission ask what kind of a time line we were looking at. Mrs. Coyle was not sure of a time line. The current plan is to remove the garage to set the portable building. Code Enforcement Officer Jason McKee stated there were several issues that would need to be addressed also one of which is the flood plain. Chairman Meadows assured Mrs. Coyle that the Commission wants to assist her as long as everything stays within the regulations. Chairman Meadows stated in order to assist Mrs. Coyle there should be a special meeting before the Council meeting because if the issue is held until the next planning commission meeting it would be February before the City Council would be able to address this issue. Helen Huitt motioned; Shane Phillips seconded to have a special called meeting on Monday, January 13th at 7:00PM for this issue at 13 Church Street as request by Mrs. Vicki Coyle. Mayor Gastineau and Chairman Meadows will contact City Attorney Chris Lacy on this matter for a legal opinion. On voice vote all approved.

Mrs. Coyle’s Phone number is 501-288-4624 and her email is Vicki_Coyle2006@yahoo.com. Will need to text Mrs. Coyle when you send an email due to her not checking the email on a daily basis.
