PRESS RELEASE

November 12, 2017

American Legion, Post 543 And South Brunswick H.S. JROTC Distribute Poppies

As part of its traditional Veteran's Day observance, members of St. James American Legion Post 543, helped by South Brunswick High School JROTC cadets, distributed poppies to the public.

Greeting customers at the Southport Walmart store, on Sunday November 12th, the veterans and the students used the occasion to ask shoppers to take a moment to remember veterans who have made the ultimate sacrifice for their country.
