THE PRESIDENT'S BARK by Joan Kaml

Well we now are at the end of 2016 and getting ready for a brand new year. While the Club's year isn't up yet, not until February 28th, classes for the winter session will be starting the week of January 2nd. We hope everyone has signed up for class. We seem to have a great deal of interest in the Wednesday morning classes as those always are full. But don't forget about the Tuesday and Thursday night classes too.

We had a very successful November AKC obedience/rally trials. They are always well attended after Thanksgiving as people are looking for something good to do with the dogs. Next is our January 7 & 8th 2017 trials. Anne Millane is the Chief Ring Steward so will be looking for helpers in that area.

Spring proves to be busy too with things coming up in the way of UKC trials for both agility and obedience. Agility is January 21 & 22 and Donna Schmitt is in charge. So if you want to help at those, and it is a great time, contact her and she will put you on the schedule. The Obedience trials are February 18 & 19 and Anne Millane is in charge of those. Premiums are out and she will be looking for stewards for that. Again, a good time as those trials are more relaxed. But if you have a dog ready please consider entering. The exercises are the same as AKC except they have a few distractions while heeling in Novice. However, instructors should be putting in those exercises in the next few weeks so they can be practiced.

Then in March will have our Annual Health Clinic on the 18th of March. This is for Heartworm, Rabies, Eyes and Cardiac. Plus this year we are trying something new – Chiropractic. The flyer is in this newsletter and there are some out at club. Sign up early if you want a specific time. The Eye Clinic does fill pretty quickly. Anne Millane is in charge of this and her phone number is 262-269-9925 or anne.millane@yahoo.com.

We are getting ready also for our Annual Banquet on January 28th, 2017. This is always a fun event and Joanne Peck does such a terrific job with it. This year's theme is "Western" so put on

your boots and bring your cowboy hat to enjoy the fun. Bring a dish to pass also in the category you are assigned by last name which is on the flyer. The club always provides the main items meat, potatoes, rolls, etc. The cost this year is \$7 and it certainly is a "cheap" evening of fun with fellow members and dog people.

A big THANK YOU goes out to all those in 2016 who helped make this club what it is today. We have had several changes in recent months and will be working on more as 2017 evolves. Members are great in coming forth to help with the various events we have, and coming up with ideas. Our building always is the cleanest around with the cleaning crew we have – Joy Flannery, John Kimpel, Joe Kugel, and their ring leader Karen Slack. Of course, there are always others who volunteer at various times to help spruce it up as needed.

So let's get 2017 off to the right start and enjoy training and having fun at club with our dogs. Anytime you have questions or comments or need help with something your Board is here. Contact one of them – names are on the front page.

Also, a big THANK YOU goes out to Jan Plagenz and Sarah Shanahan for serving on WWCDTC's board over the last several years. We will welcome Tara Matusiewicz and Nancy Schmitt coming on the Board in January.

One last thing, don't forget if you achieved a title on your dog to send in your picture and information to Jan Plagenz. A suitable to be framed award is made and giving out for reconigation at the banquet. Deadline and information are on the flyer in this newsletter.

Instructors are reminded too that on January 13th there is an Instructors Meeting. Please plan on attending this as several new things will be coming up. (This is in place of the one originally scheduled for December.) Look forward to seeing all of you.

Thanks also, to the new Director of Training and Committee. If you haven't heard, Mark Christiansen will be the DOT with the following people in charge of the different areas – Chris Getter, Obedience; Karen Slack, Agility; Claudia Sonnenberg, Rally; and Jessica Hubbard, Monday Night. Mark is to be commended on the amount of work he does as the Membership Chairperson also keeping track of dues and their payment, keeping track of people working at various events so they meet their membership requirements, taking in new members, being at Monday night classes for orientation and hopefully getting new members from that venue. So we are trying something new with a "Committee" of people to run the various training areas. If more are added such as Nosework, etc, a representative will be gotten to put on this Committee also. The people already there are very well qualified in their areas, so if you have training questions, etc., please see or contact one of them. Their information is in the newsletter also.

Mark has given up the building superintendant and Joe Kugel is now doing that job when things need repair or attention. We welcome Joe for that job who also helps with cleaning the building with John Kimpel.

Happy New Year!

Joan

Notes & News

4TH FRIDAY RUN-THRUS

I am Linda Warn. I am the coordinator for our run-thrus in 2017. First, when you see Harry please thank him for all of his efforts in 2016. We had a successful year with our run-Thrus due to Harry's planning and you, our volunteers. Working a Run-Thru is a great experience. We get to know other members better when we work with them. Also, you will get to know people from our club and other clubs who participate.

The best part for me though, is watching people train their dogs. You will see beginners and experts in the ring. I pick up hints on how to better train my own dog because I watch others. As you know, it is mandatory to work two events in order to train your dog in obedience classes next year. Working run-thrus meets this criteria. For me it is fun to be at the club on a Friday night visiting with the people I like and getting a chance to see where my dogs are in their training. Are you new to training? You have never worked a Run-Thru? It is easy. We all help each other. You will get a card for one free Run-Thru when you participate. If you can come early (6:00 pm) we can give you a Run-Thru before we start at 6:30 pm.

The sign up sheet will be in its usual place by the door. When you put your name on the sheet please give me your phone number and your email address if you have one. See you soon....

NEW DIRECTOR OF TRAINING

Effective January 1st I will be taking over as the Director of Training. I have a committee of 4 people that I will be working with to handle the training programs at the club. Jessica H. will be in charge of Monday night classes. Karen S. will take care of Agility classes. Claudia will be in charge of Rally classes. Chris G. will handle obedience classes. Chris will also be in charge of instructor enrichment, meaning she will take care of instructor movie nights, and I will work with her to come up with a tutor/mentor program for new instructors.

The top priority of this group is going to be to get the class criteria implemented. There are plenty of other opportunities to improve our training programs at the club and as a group we will work on them.

I do intend on having an instructors meeting as soon as we can, hopefully in January. With classes starting the first of the month it more then likely will end up either being a Friday night or possibly Sunday afternoon.

As a club we will have to look into the communication issues that we had Wednesday night. This has always been an issue and we need to come up with a better solution then we already have. I also think we need some type of guidelines set up for determining when the club is going to be closed due to weather. We have a board meeting coming up in January and this item will be put on the agenda for that night. I know that changes take time to make and some people don't like changes. That is one big reason why this is going to be a committee effort so several different sides of the issues can be seen and evaluated before changes are made.

I truly look forward to this new challenge and working with the committee that has been formed so we can make our training program even better then it already is. If you have any questions comments or concerns please don't hesitate to contact me, usually e-mail works the best for me or you can call generally after 4:00 p.m. until about 9:00 p.m.

Wagging Rights!

Heelside's Short Circle (Jolt) - owned by Dick & Barb Budny -started her Barn Hunt career in April and with fairly limited showing this year, completed her RATI, RATN, RATO, RATS and RATM titles, she also earned 7 of the 10 legs necessary for RATCH - her championship. During the year she earned two High in Class awards and all 22 of her legs were with 1st-3rd placements. In January we are scheduled to start working on her nose work titles. For a little dog who wanted a job so bad, we finally found some that she can do within the confines of her physical limitations.

Dauntless Flying Tiger BN CD GN RAE2 RATI THD TT CGC (AKA Kestrel, owned by Tracy Hays) got her Staffordshire Terrier Club Of America (STCA) Versatility Gold award at the STCA National Specialty in Conroe TX in October.

On Sunday, November 20, Brody (German Shepherd, owned by Chris Getter) completed his Novice Agility Jumpers title with two first places and one second, and on Dec 3, completed his Novice Obedience title with scores of 196.5, 195.5 and a 196, also placing all three times.

Food For Thought...

By The Agility Coach May 21, 2014

The strongest bonds are not created by what a dog does for you in competition, but by how much it teaches you and brings out in you. How much it brings out in you will depend on how much effort you put in.

Big Thanks to Mary Kasten, Joanne Kullmann, Claudia Sonnenberg and Harry Beggs for helping set up the raffle tables on Friday Nov 18th. The club will be donating \$1,000.00 to the Jefferson County Canine Unit.

Also to Joanne Kullmann and Tara Matusiewicz for donating their time to sell tickets and cover the raffle table. And to everyone to stepped in and helped us for a while!

This raffle could not be possible without the great response that we received from our Class donations. THANK YOU so much!!!

Also

A big shout of THANKS to Joan and Wayne Christensen for the very informative Rally workshop they gave in November and December. Can't forget to Thank Simmie ,and Brody for being great demo dogs. Everyone learned a lot and very pleased that Joan and Wayne volunteered to do this for the club. THANK YOU! THANK YOU!

KinderPuppy I
Beginning Manners
Beyond the Basics

7:45 p.m. Classes

KinderPuppy II
Junior Manners
Advanced Manners (CGC)

In 2017, we will be reducing the number of class sessions from 7 per year to 6 so that we will have the opportunity to offer "Fun With Your Dog" classes.

So far, suggestions for these classes include "Dancing with Your Dog", "Dog Yoga", etc. If you have any suggestions, please contact Jesica Hubbard at 414-476-8430 or email firestarelkies@gmail.com

We are also pleased to announce that we will begin offering the **Canine Community Dog and Urban CGC Class** in March of this year! Due to curriculum and space availability, this class will be offered on **Tuesday** nights at 8:00 p.m. and will only be offered twice each year. The first class will begin on Tuesday, March 21 and will last for 8 weeks. Class size is limited to only 6 dogs (no exceptions), one dog per handler. Evaluations will be held during the last 2 class sessions that, upon successful completion, will earn your dog both CGCA and CGCU titles. Because of the limited class size, we do anticipate that this class will fill quickly, so please contact Jesica H. at 414-476-8430/ firestarelkies@gmail.com or Anne De Roo at 920-219-2184/ wwcdtcnews@gmail.com for more information or to sign up for the class! Please note that, in order to qualify for the CGCA and CGCU titles at the end of this class, your dog must already hold an AKC CGC (Canine Good Citizen) title.
