- Need to have a BHS workday to clean up the property around the shed (and trailer?). Bloody Muzzle and Gun Walker to determine a date for this activity.
- Review and discussion of changes to BHS bylaws. Peter moves to table further discussion of changes to BHS bylaws. All members are encouraged to review the bylaws. There will be a vote to either accept, accept with modifications, or reject the changes at the January holiday event.

Buckhorn Skinners Turkey Shoot Results

Deacon (David H.)

The weather was perfect for a mid November Day. Twelve shooters enjoyed it. They were in order of skill and final score:

Jeramie Allee	142 points
Randy Preston	139
Peter tho Seeth	128
Ron Ring	112
Carl Schaal	96
Louie Silva	93
Loyd Schindelbower	79
Dale Crabb	79
Gordon Cisar	77
David Hoffman	76
Gavin Schindelbower	51
Scott Drake	15

The prizes were frozen meat, picked off of the table in order of high to low shooting score. The club supplied the meat, four turkeys and lots of smaller frozen meats.

We had a wonderful surprise visit from Scott Drake who now lives in Wisconsin. We are all happy to see you are looking healthier and happier than when you had to leave us.

We now have a good supply of No. 10 and No. 11 caps. Please only buy only two tins per month, to give all the percussion shooters a fair chance at these. We also have a very good supply of flints. 7/8 & 3/4 French Amber and 3/4, lots of 5/8 and a few 1/2 English grays.
