

Ultra CW

Contactless Car Wash Solution

Contactless car wash payment system

Ultra Car Wash's waterproof design allows for unattended contactless payments for your car wash and provides convenience and financial freedom to your customers.

Improved Customer Experience

Customers simply tap their credit/debit card or pay using a smart phone with Apple Pay, Interac Flash, MasterCard Paypass, or Visa payWave.

Faster reload if customers decide they need more time

Less wait time for customers as the lineup will move more quickly

Improved Operational Ability

Reduce theft and the hassle of coin collection

No refilling of the bill changer

Higher average spend with the convenience of tap & go

Lower cost deployment—no key injection

Wi-Fi connected for transactions and telemetry to our Dashboard portal

Ultra Car Wash setup and software updates are accomplished remotely using our Dashboard portal

Tap, wash & go!
A new level of convenience.
