

**MEMORANDUM OF UNDERSTANDING
BETWEEN THE
UNITED STATES POSTAL SERVICE
AND THE
AMERICAN POSTAL WORKERS UNION, AFL-CIO**

Re: Temporary Expanded Sick Leave for Dependent Care During COVID-19

For the 60-day duration of this Memorandum of Understanding, sick leave may be used by an IT/AS employee for unexpected childcare needs as a result of the COVID-19 pandemic.

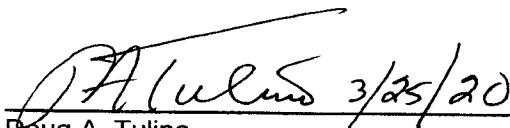

Specifically, employees may use sick leave for dependent care in the event they must care for a child as a result of daycare closures, school (Pre-K through Grade 12) closures, or the unavailability of a child's primary caregiver as a result of the COVID-19 pandemic.

The maximum amount of sick leave that may be used for dependent care is limited to 80 hours in any leave year.

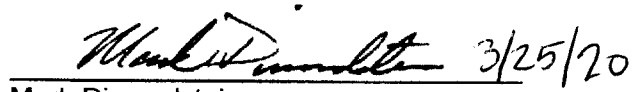

Approval of sick leave for dependent care will continue to be subject to normal procedures for leave approval.

The parties will revisit this issue immediately prior to this MOU's expiration to determine if extension is appropriate.

This MOU will expire May 17, 2020.
