

# Elena

Thickness: 29cm (Approx)

The ELENA is a plush mattress designed for pain-relieving support. Each mattress is crafted to provide both comfort and back support.

#### PLUSH TOP DESIGN

This plush top offers the optimal combination of support and comfort to users enhancing the soft and luxurious feel.

#### CLIPPED POCKETED SPRING SYSTEM (CPS)

Rows of Dunlopillo super coil are clipped together providing orthopedic support and firm level. The spring wires are high tensile carbon steel made for durability and performance.

#### SANITIZED FABRIC

Treated with anti-bacterial and fungal growth. Designed for long-lasting freshness & protection. Allergy sufferers can breathe freely, for dust mite allergens are kept at bay. Safe & effective reduction of odor, mildew & dust mites.
