

No Greater Power

To find direction and meaning I must tap a Higher Power. That Power is God as I understand Him. I will start each day with God and take Steps Three, Seven and Eleven. There is no Greater Power. And then I say:

Lord, I turn my life and will over to You today.
I will walk humbly with You and my fellow travelers.

You are giving me a grateful heart for my many blessings.

You are directing my thinking and separating me from self-pity, dishonesty, and self-seeking motives.

You are removing my resentments, fears and other character defects that stand in my way.

You are giving me freedom from self-will.

Your will, Lord, not mine.

You will show me today what I can do to help some who is still hurting.

As I go out to do You bidding,

You are helping me to become a better person.
