Defender Association of Philadelphia

Philadelphia, PA

Psychologist

Contracted by Philadelphia Public Defenders Office to conduct psychological evaluations of juveniles accused of committing violent crimes. Evaluations were used to assist the court in determining the juvenile's rehabilitation needs, amenability to treatment, and potential threat to public safety. Presented findings of evaluations in court as an expert witness.

February, 1997 - July 1998.

**Medical College of Pennsylvania-
Hahnemann University Hospital**

Philadelphia, PA

Staff Psychologist

Postdoctoral Fellow in Child and Family Therapy

Conducted individual, couples, group, and family therapy with children, adolescents, and adults. Administered psychological tests to children, adolescents, and adults. Supervised doctoral-level practicum students and psychiatry fellows.

September, 1995 - May, 1998.

Children and Youth Services, Sexual Abuse Center

Media, PA

Clinician

Conducted individual therapy with sexually abused children and adolescents.

Research and Program Coordinator

Managed data base and information system for all reported cases of child sexual abuse in Delaware County. Developed and implemented research projects specific to the study of child sexual abuse. Developed therapeutic treatment programs for children, adolescents, and their families experiencing child sexual abuse. Wrote grant applications requesting financial support for treatment programs and assisted with designing a comprehensive development plan to enhance fund raising for treatment services.

August, 1993 - August, 1995

Family Support Line of Delaware County, Inc.

Media, PA

Group Leader

Developed the curriculum for and facilitated a 12-week psycho-educational group for non-offending parents of children who have been sexually abused. Facilitated prevention education workshops on child sexual abuse, sexual harassment, and sexual misconduct to groups of children, parents, and professional organizations.
