

APRIL 2020

Co-Presidents' Message

Dear Fellow Brandeis Members,

We are honored to be your new Co-Presidents! Thank you for the opportunity to serve in this role for such a wonderful Brandeis National Committee chapter where our members are our jewels. Like diamonds, which are known for the 4 C's, our chapter members/volunteers are also known for 4 C's: **Collaboration, Communication, Commitment and Cooperation!** These are the tenets of our chapter. We are great people doing great things and we do them better together!! Without the passion and commitment of so many, none of our chapter's accomplishments could take place. There is no effort too small to get involved, at whatever level a member feels comfortable. Whether it is baking for a meeting, helping with an event, joining a committee or becoming a Board member, **all are welcome here and all efforts are needed and appreciated!** As your new Co-Presidents we are committed to you, our members! We want everyone in this chapter to feel welcome and to know they can come to us at any time to discuss ideas and share their individual experiences. We value open communication as a core principle of the organization. **We are a team and all ideas and opinions matter!**

We want to thank our two talented and impressive outgoing Co-Presidents, Marcia Langer and Judy Levine, for their continued passion and commitment. They have contributed and accomplished so much in the past two years! We have big shoes to fill as we continue the footsteps on a path to success!

We are all disappointed that several very special events needed to be canceled in March due to the Coronavirus (COVID-19) outbreak. We will always think of our members' health and safety above all else. In that regard, we encourage everyone to follow the necessary guidelines of the CDC and federal, state and local governments. We want to ensure to every extent possible that this united effort will keep us healthy and put an end to the spread of this virus sooner rather than later.

The Annual Board meeting would have discussed "Unity in Diversity," exploring the theme of collaboration. We are unified through our diverse thoughts, skills and backgrounds and therefore, we **are better together!**

Our organization puts philanthropy first. We raise funds and provide support for Brandeis University's library, critical neuroscience research and campaigns like the current one, "Honoring our History." See donation options on page 18. Our chapter's fundraising efforts make us all proud!

Presidents' Message continued...

We know how much time and effort went into planning our March events: Game Day, the Annual Board meeting, the Springtime in Paris luncheon and installation, the Facilitators' thank you event and the New Member social.

Though these events needed to be canceled, we appreciate all of the following volunteers who worked so hard in advance:

Truda Chick
 Bonnie Clewans
 Michelle Fischler
 Bruce Galin
 Gale Gradus
 Norma Green
 Linda Jacobs
 Carol Kadet

Sue Karp
 Terriann Kleiner
 Judy Krockey
 Marcia Langer
 Sue Lawler
 Vicky Leavitt
 Ruth Lerner
 Judy Levine

Freddie Lieberman
 Andie Morrison
 Sandi Oppenheim
 Joellyn Pollock
 Lori Roth
 Cheryl Senkfor
 Kathleen Witkin

Thank you for your commitment to excellence! We know these events would have been awesome! We will have many opportunities down the road to hold these or similar events. We all need patience, understanding and collaboration to get through this uncharted territory, which we will! **We are Better Together!**

We wish a happy and meaningful upcoming Passover and Easter to those who celebrate, even though this year may not include extended family and friends, as in years past. Thank you again for all you do to keep our chapter moving forward, raising funds and having FUN! May you and your families stay safe and healthy. We hope to share good times together again soon!

Best Regards,
 Jan Lebovitz & Linda Ullman,

Appreciation from our Authors

Brad Taylor

It was certainly my pleasure. You guys have a great event! I've already emailed (my publicist) and sang your praises, recommending you to her for other authors, so don't be surprised if she contacts you.

Crissy Van Meter

I had such a great time at the event. Thanks so much for including me!

Gabriel Bump

I had such a fun time in Phoenix! It was nice being surrounded by a large loving crowd—and so many people from my neighborhood! I hope I'm able to make it out again in the future. Please keep up the amazing work.

Tim Mason

I can't thank you enough for your generous and caring treatment of me during this spectacular event. From picking me up at midnight, through the Valley of the 900, and right up to the end, you were there for me the whole time - with a warm smile and encouraging words.

To get to know the other authors was a gift, and meeting and chatting with so many interesting members among your colleagues on the Brandeis team and among the attendees was a wonder. I had a fantastic time.

Jamie Bernstein

What an amazing, multifarious event. I was so delighted to be a part of it all. I loved meeting and hearing from the other authors, as well as meeting all your wonderful colleagues: Carol, and Beth, and all the rest. And thank you --from Jefferson and myself -- for treating us so beautifully, and for that crucial extra night at the hotel.

It looks like you pulled off a VERY successful event. Congratulations!! And now, I hope you'll get a little time off; you've earned it!

Study Group News

Looking Ahead in these Uncertain Times!

The 2019 - 2020 has been the most successful Study Group season in our Chapter's history. The chapter continues to attract new members and a major part of that attraction is the availability of many and varied study groups in which all members can participate.

To continue this success, we need the help of both men and women. As we begin to think of next season (yes, your Study Group Team is already looking ahead to next year), we are looking for facilitators with ideas for new groups. These might be in-person groups - when things return to normal - and/or virtual groups, using new technology.

If you enjoy meeting new people, enjoy sharing your experiences with others, have special talents or interests that others would enjoy.....You Can Facilitate a Study Group!

Ask yourself the following questions:

- ◆ Are you interested in getting involved and meeting new people?
- ◆ Are you interested in starting a group (hiking? film? lunch?) that meets on weekends or evenings?
- ◆ Would you enjoy leading a limited group discussion (4 sessions) on a favorite topic or activity?
- ◆ Do you have a special interest, talent or skill that you want to share with others (i.e. cooking, knitting, crafts, etc.)?
- ◆ Are you a winter resident who wants to create a group (i.e. weekly Mah Jongg or Canasta) that begins in January?
- ◆ Do you enjoy researching and visiting interesting sites in Phoenix and the surrounding areas?

If you answered 'yes' to any of the questions above, you already have all you need to be a wonderful Study Group Facilitator. You can also ask a friend to co-facilitate the group with you.

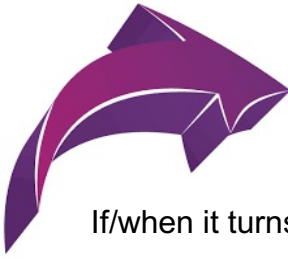

Training will be provided by the Study Group Team. All you need to do is identify an activity, decide the day, dates and times you'd like to meet (we can help you with scheduling) and start a study group in the 2020-2021 season!

The rewards are many: interact with like-minded people in an activity that you already enjoy, see your efforts appreciated by your group participants and the entire Chapter, make new friends and most of all - HAVE FUN!

The time commitment is modest and in return, the approval, acclaim and admiration you receive is beyond measure.

Programming Committee Update A Very Special Thank You!

For the past 2 years, the Programming Committee was busy meeting, planning, working and supporting Brandeis University. It's a lot of work but when it is shared by so many capable Committee members, it's an enjoyable experience. Without your hard work and dedication, our events could not have been possible!

They can be brought to a board meeting or call or text Wendy to set up a time to receive them.
