

BECOME A MEMBER, NOW!

The 4C's is a member supported club that depends on its members for the funds to keep our repeaters as well as packet and other services on air. COVID 19 has made it impossible for us to pass the hat at meetings and other events for donations from the group. Please take a moment to send what you can to keep our equipment working and on air.

You will also receive a copy to The Communicator and invites to our ZOOM meetings.

Send donations to:
