

PROMOTE HEALTHY HABITS — AT NO COST TO YOUR COMPANY!

CAPABILITY STATEMENT

UR Healthy Vendor LLC is a family-owned company striving to improve the health of the citizens of Atlanta. We offer an alternative to traditional vending machines. Although we strive to put healthier options in the vending machine, we also provide traditional snacks and beverages. Our goal is to lower the obesity rate among all Atlantians. Founded in 2019, we **deliver, install, service, and stock healthier snacks and beverages for residential, commercial, and educational organizations throughout Georgia.**
