**Thank you to all the supporters and participants of the 2021 Jim Wells County Fair**

## A Note of Thanks

Dear Jim Wells County Fair Supporters,

I would like to take the opportunity to thank all of you for supporting Jim Wells County young people at the 2021 Jim Wells County Fair. As is tradition, this year's fair was a big success, which can be attributed to people like you. It also is a tribute to the hard work and dedication that volunteers and exhibitors put in every year.

The Jim Wells County Fair Association owes immense gratitude to the buyers. Their constant support is phenomenal. We could never thank them enough.

Attendance was solid, illustrating that Jim Wells residents believe in and support the young people participating in fair activities. Thanks to them also.

The Jim Wells County Fair offers local youth the opportunity to learn responsibility, self-reliance, cooperation and the hard work necessary to meet their goals.

The money that many of our young people earn will pay to further their educations, which in turn will make them assets to South Texas communities.

Thanks again to everyone. I look forward to making 2022 better than 2021. I know that I can count on each and every one of you to be right there with me, helping me to make our fair bigger and better than ever before.

Jim Tymrak  
President, Jim Wells Co Fair Association
