Hello Parents,

We have had a very busy week, but we are working through the details.

The Corona Virus is a developing health issue which is changing constantly. This afternoon the Governor has closed all K-12 schools in PA. for 2 weeks. St. Anne School will be closed from Monday, March 16th through Friday, March 27th. At that time the situation will be re-evaluated. The students will be working on authentic work (not review papers and busy work). Today the students brought home materials and books. The teachers will be available to answer questions each weekday we are closed from 9:00 to 3:00. Teachers will be emailing you their contact info. The office will be open on Monday for any questions you may have and for material pick up for any child that was absent. Please know the safety and health of our students, families and staff will always be our priority. You can get health and safety updates on our website. There is a very easy to read chart on the Corona Virus symptoms attached to this email.

Due to the ever evolving Corona Virus our Celebrate fundraiser has been postponed until the Fall. Mrs. Wolfe will be in contact with anyone who has purchased a ticket and information will be coming soon on an exciting online auction.

Suzanne
