

*"The steps of a good man are ordered by the Lord, and He delights in his way"
(Psalm 37:23).*

He has something specific to say for the weekend word. As the words tumbled forth in my mind I began to write it down. God understands your past and future. He knows the second by second details of your life. Divine Direction

"My Child. I see you. I see the questions you have. Moving forward is what I want you to do. Its time to remind yourself that I am with you. My timing is perfect. My timing is right. Don't be anxious. Don't worry about what is happening. Just look to Me and see what I do.

I AM ordering your steps. Your steps are are established by Me. Trust me with each step you take. I take such delight in when you do. My counsel is directing you and My eye is upon you.

Hear Me. There is a plan in motion. It is My plan. I am using the circumstances of your life. Don't not be concerned with the pathway you are on. I AM with you. Don't be concerned with what you see. I AM with you. I AM directing you.

Trust Me. Don't trust in what you see. Don't lean on what you think. Stop trying to figure it out. Let yesterday stay there. Today is a new day. As you continue to walk towards Me, you will understand I have for you.

I am leading you in paths of righteousness for My name's sake. My name matters to Me. You carry My name. I do not forsake My children. I do not abandon My heritage. You carry the seal of My son's blood upon you. His blood speaks on your behalf always.

Stop doubting what I Am doing. I Am directing your steps. I know the plans from the beginning to the end. I know the way. You are not lost or in the wrong place. I see the beginning from the end. There is no middle for Me. I AM who I AM and there is nothing that is too hard for Me.
