

Email: Issued March 12 4:23 pm

Hello Parents,

We have received additional updates from the Diocese concerning the Corona Virus. As a preventative measure to keep everyone healthy the Diocese has advised the following steps be taken immediately:

- Water fountains have been turned off. Students are asked to bring a water bottle from home.
- The CoGat screening, for grades 3 & 5, are postponed. I will let you know when they are rescheduled.
- All field trips are suspended-therefore the students in grades 5-8 will not travel to LCHS to see the musical on Tuesday, March 17th.

Please know that the teachers at St. Anne School are preparing work in the event we need to use "Flexible Instruction Days" for any school closing due to the virus. More information will be coming home if the situation arises.

Thank you,
Suzanne
