

Seeking Full-Time Pitching Instructor

We would like to share a huge thank you to TSW Pitching Instructor Coach Maddie Gardner for all her help over these past few months. Coach Maddie has done a wonderful job at fostering an environment of growth and positivity in so many young players' lives. We wish her the best of luck in her next chapter back in her home state of Wisconsin!

We are seeking someone who is committed to player development. High-level coaching cannot be viewed as a part-time position. Strong mentorship and real player impact stems from a desire to give back to the game and enhance the future generation of players in the sport. Please consider realistic availability and desire when applying for this position.

Requirements:

- High-level softball playing experience
- Private instruction experience preferred
- Available multiple weeknight evenings and some weekends

What we have to offer:

- Multiple state-of-the-art facilities in the Greater Baltimore area
- Clients ready to book
- Competitive pay rate
- An environment to work with and around current and former professional and high-level collegiate players turned dedicated coaches
