

Instructions for Using Fillable Forms

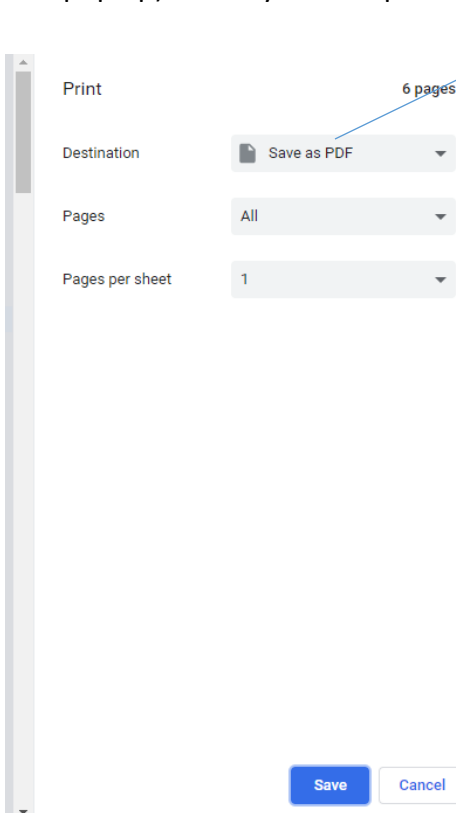

- 1) If you do not have Adobe Reader (required to work with PDF documents) please see the link on our website to download it for Free. Choose the center option and unclick the Install of McAfree Safe Connect. Follow instructions.

- 2) Once you have done that or if you do already have Adobe Reader, and are a New Patient please make sure to fill out the sets of forms on both buttons:

- 3) Open forms and fill out appropriate spaces. To save your filled out forms, click on printer icon on upper right of screen. (If you do not see it, click in that area and it should pop up). Save your completed document as a PDF.

- 4) Please email your PDF's (there should be 2) to our office at sp@winchester-vega.com

We hope you found this convenient and you will receive a call from us shortly.
