## **Horse Lease Options:**

**Half Lease** - Get the feeling of owning your own horse without the total cost. A half lease gives riders the opportunity to get to know one specific horse and take care of them as if they were their own. This lease allows the rider to hack and lesson on their leased horse three days a week as well as getting the chance to horse show. The other three days a week the horse is either used for lessons or half leased by someone else. All the responsibilities and bills are shared. (Price varies depending on horse – ask for details)

**Full Lease** - This lease lets riders take on full responsibility of owning their own horse. Every day bills are taken over by rider with free rein of your horse 7 days a week. This lease is very popular and is one of the last steps before making the leap into ownership. (Price varies depending on horse – ask for details)
