Attention Members:

The Coastal Florida PBA has received information in regards to the performance of the current police chief and the negative impact it's having on morale among the officers.

One of the primary issues seems to stem from a consistent lack of effective leadership, starting from the top down. Apparently there has been no real clear vision for the department. This absence of direction from the police chief has led to confusion, inefficiency, and a growing sense of frustration among officers at every rank.

As your union representative, we find these inefficiencies from the leadership at Fort Pierce PD very concerning and would like to address them.

We would ask for your input/feedback by answering the following questions and you will remain anonymous.

**Please email your response to Greg Forhan at GForhan@cfpba.us

- DO YOU FEEL THE POLICE CHIEF PROVIDES EFFECTIVE LEADERSHIP THAT PRESENTS A CLEAR VISION FOR THE GROWTH OF THE DEPARTMENT?

- IF NOT, WOULD YOU LIKE TO SEE A CHANGE IN LEADERSHIP?
