From our President

Hello ladies of the Texas WMA. I hope this newsletter finds you well. You will find several bits of information in the attached pages. Exciting plans are being made for the upcoming state meeting in Waxahachie. We hope you can join us as we begin a yearlong celebration of 125 years of Texas WMA. A lot has been accomplished in those years and we are not done yet. God still has a purpose for us and we are ready to keep serving and sharing.

We will be meeting at Pathway Baptist Church. The entire meeting will be November 17-18. The WMA meeting will be Tuesday morning on the second floor in the youth room. The Missions office is graciously providing lunch for all the WMA ladies. We hope you will make plans to join us for a time of fellowship and some birthday cupcakes!!

Do not forget the final push for our project. We have not quite made our goal yet, but I know we can. THANKS to everyone who has given to help the Texas Baptist Children's Home update signs around their campus. The deadline for being recognized in the program has passed, but we will continue to accept funds until the meeting and we will even accept them at the meeting.

A committee of officers has been working on updating our Principle of Standards. If you are receiving this newsletter by email, they are attached. If you do not have a copy, you may access them on the Texas WMA webpage, texaswma.com. The new standards will be presented in the first session of our meeting and voted on later in the day. Most of the changes were made to align our standards with the way we are functioning and to clarify some job descriptions. If you have comments or questions, please email me at texaswmainfo@gmail.com.

This is the last note you will receive from me as Texas WMA president. It has been my honor to serve with you for the last 2 years, and really the last 20+ years. I will still be around, but am going to focus on finishing out my term as National WMA president. I am excited about the new proposed slate of officers and know they will do a great job.

I love you ladies and can't wait to see you in November.

Cindy Allen, President
