

# Have Your Birthday at MMA

Marietta Martial Arts can make the birthday experience the best one your child has ever had and the easiest one you have ever planned!

## Here's what MMA will do:

- ☑ MMA will provide, address and send out the invitations. All you need to do is furnish us with the guest list.
- ☑ When the guests arrive, MMA will welcome them and give them a martial arts headband as their 'official uniform'.
- ☑ The party will feature fun and exciting martial art activities for the guests. Your child will be the 'star of the show' as the Assistant Instructor, bowing the group in and out and will be demonstrating several basic techniques that we teach the group (under our complete direction and supervision, of course.) More importantly, MMA will also emphasize the importance of courtesy and respect in the martial arts.
- ☑ Just before your child bows out the group, MMA will make a special presentation of an "Future Instructor" certificate, suitable for framing.
- ☑ Your child will get to cut the cake with a samurai sword.
- ☑ If you choose to have your child open the gifts, MMA will write out a list of 'who gave what'. This list will be given to you after party so you'll be able to send out the Thank You notes quickly and easily.
- ☑ MMA will provide goodie bags for the party guests.
- ☑ MMA will take care of the clean up so you can enjoy the celebration!

## Here is a checklist of what you will need to bring to the party:

- ✓ Cake, cake cutter & drinks
- ✓ Candles & lighter/matches
- ✓ Paper goods (plates, napkins, forks, cups)
- ✓ Decorations (including table cloths - 3 tables) - *MMA will assist with the decorating!*
