

## **ProPak India 2020 Rescheduled**

Informa India Pvt Ltd. today announces that the 2020 edition of their flagship event **ProPak India** will be rescheduled to December 2020. Due to growing concerns over the coronavirus (COVID-19), and with the well-being of attendees, partners and staff as the number one priority, Informa India has decided that rescheduling the event is the only responsible course of action at this time.

**ProPak India 2020 will now be scheduled from 08-10 December 2020, Hall 5A – Pragati Maidan, New Delhi.**

This decision was made after consulting with the local government, partners, and other stakeholders, to whom Informa India would like to express gratitude for their understanding, patience, and continued support.

We hope that the spread of the virus will soon be contained. Moving forward we'll focus all our efforts in making our event in December even better.

However, keeping in mind global calendar wherein the ProPak India dates are marked in October, Informa India will host its maiden edition of **ProPak India Virtual Expo on 14-15 October 2020.**

ProPak India Virtual Expo 2020 is the next progressive step in our brand's digital evolution and is designed to facilitate business growth, for new and existing clients in an age of travel restrictions.
