None of the easements specified in this subparagraph shall be encumbered by any leasehold or lien other than those on the Condominium Parcels. Any such lien encumbering such easements (other than those on Condominium Parcels) automatically shall be subordinate to the rights of Unit Owners and the Association with respect to such easements.

The Association shall have no liability from such entry.

#### 8.0 ASSESSMENTS; LIABILITY; LIEN AND PRIORITY; INTEREST; COLLECTION

##### 8.1 Liability for Payment of Assessments:

(a) A Unit Owner, regardless of how his title has been acquired, including by purchase at a foreclosure sale or by deed in lieu of foreclosure, is liable for all assessments which come due while he is the Unit Owner. Additionally, a unit owner is jointly and severally liable with the previous owner for all unpaid assessments that came up to the time of transfer of title. This liability is, without prejudice to any right the owner may have to recover from the previous owner the amounts paid by the owner.

(1) The unit's unpaid common expenses and regular periodic assessments which accrued or came due during the 6 months immediately preceding the acquisition of title and for which payment in full has not been received by the association; or

(2) One percent of the original mortgage debt. The provisions of this paragraph shall not apply unless the first mortgagee joined the association as a defendant in the foreclosure action. Joinder of the association is not required if, on the date the complaint filed, the association was dissolved or did not maintain an office or agent for service at a location which was known to or reasonably discoverable by the mortgagee.

(c) The person acquiring title shall pay the amount owed to the association within 30 days after transfer of title. Failure to pay the full amount when due shall entitle the association to record a claim of lien against the parcel and proceed in the same manner as provided in this section for the collection of unpaid assessments.

(d) The liability for assessments may not be avoided by waiver of the use or enjoyment of any Common Element or by abandonment of the unit for which the assessments are made.

(e) Notwithstanding the provisions of paragraph (b), a first mortgagee or its successor or assignees who acquire title to a condominium unit as a result of the foreclosure of the mortgage or by deed in lieu of foreclosure of the mortgage shall be exempt from liability for all unpaid

assessments attributable to the parcel or chargeable to the previous owner which came due prior to acquisition of title if the first mortgage was recorded prior to April 1, 1992. If, however, the first mortgage was recorded on or after April 1, 1992, or on the date the mortgage was recorded, the declaration included language incorporating by reference future amendments to this chapter, the provisions of paragraph (b) shall apply.

(f) The provisions of this subsection are intended to clarify existing law, and shall not be available in any case where the unpaid assessments sought to be recovered by the association are secured by a lien recorded prior to the recording of the mortgage. Notwithstanding the provisions of Chapter 48, Florida Statutes, the association shall be a proper party to intervene in any foreclosure proceeding to seek equitable relief.

(g) Assessments and installments on them which are not paid when due, before the 10<sup>th</sup> of the month, shall bear interest at the rate of eighteen (18%) percent per annum, or at the highest rate of interest allowable by law, from the due date until paid. The Association may charge an administrative late fee in addition to such interest, in an amount not to exceed the greater of \$25 or five (5) percent of each installment of the assessment for each delinquent installment that the payment is late. Any payment received by an Association shall be applied first to any interest accrued by the Association, then to any administrative late fee, then to any costs and reasonable attorney's fees incurred in collection and then to the delinquent assessment. The foregoing shall be applicable notwithstanding any restrictive endorsement, designation, or instruction placed on or accompanying a payment. A late fee shall not be subject to the provisions of Chapter 687 or Section 718.303(3), Florida Statutes.

(h) The Board shall have the power to fix, determine and collect from all Unit Owners, as provided in the By-Laws, the sums necessary and adequate to provide for the Common Expenses of the Condominium and such other expenses as are specifically provided for in this Declaration and the By-laws. All assessments shall be levied in proportion to each Unit Owner's Common Interest. Should the Association be the owner of any Unit(s), the assessment which otherwise would be due and payable to the Association on such Unit(s), shall be levied ratably among all of the Unit Owners excluding the Association, based upon their Common Interests, reduced by any income derived from the leasing of such Unit(s) by the Association.

(i) Inasmuch as the Association is authorized by the Declaration or By-laws to approve or disapprove a proposed lease of a unit, the grounds for disapproval may include, but are not limited to, a unit owner being delinquent in the payment of an assessment at the time approval is sought.

(j) No unit owner may be excused from the payment of his share of the Common Expense of a Condominium unless all Unit Owners are likewise proportionately excused from payment. The Developer shall be excused from the payment of its share of the Common Expenses and Assessments relating to those Units owned by the Developer for a period to terminate no later than the first day of the fourth calendar month following the month in which the closing of the purchase and sale of the first condominium unit occurs; however, the Developer must pay the proportion of Common Expenses incurred during the period which exceeds the amount assessed against other Unit Owners.

(k) No funds which are receivable from Unit purchasers or Unit Owners and payable to the Association, or collected by the Developer on behalf of the Association, other than regular periodic assessments for Common Expenses as provided herein and disclosed in the Estimated Operating Budget, pursuant to Florida Statute 718.503(1)(b)(6), or Florida Statute 718.504(21)(b), shall be used for payment of Common Expenses prior to the expiration of the period during which the Developer is so excused. This restriction applies to funds including, but not limited, to capital contributions or start-up funds collected from Unit purchasers at closing.

8.2 Special Assessments: Should the assessments prove to be insufficient to pay the costs of operation of the Condominium, or should any emergency arise, the Board shall have the authority to levy such additional assessment(s) as it may deem necessary, subject to obtaining the Association membership's approval of such Special Assessment by majority vote at a duly called meeting of the Association at which a quorum is, present. The specific purpose or purposes of any special assessment approved in accordance with the condominium documents shall be set forth in

a written notice of such assessment sent or delivered to each unit owner. The funds collected pursuant to a special assessment shall be used only for the specific purpose or purposes set forth in such notice. However, upon completion of such specific purpose or purposes, any excess funds will be considered common surplus, and may, at the discretion of the board, either be returned to the Unit Owners or applied as a credit toward future assessments. Anything herein to the contrary notwithstanding, so long as Developer holds Units for sale in the ordinary course of business, the following action may not be taken without the Developers written approval: (1) assessments of the Developer as a Unit Owner for capital improvements, or (2) any action by the Association that would be detrimental to the sales of the Units by the Developer. However, an increase in assessments for common expenses without discrimination against the Developer shall not be deemed to be detrimental to the sales of Units.

8.3 Certificate of Unpaid Assessments: Within fifteen (15) days after receiving a written request from a Unit Owner Purchaser, or mortgagee, the Association shall provide a certificate signed by an officer or agent of the association stating all assessments and other monies owed to the Association by the Unit Owner with respect to the Unit. Any person other than the Unit Owner who relies upon such certificate shall be protected thereby. A summary proceeding pursuant to Florida Statute 51.011 may be brought to compel compliance with this subsection, and in any such action the prevailing party is entitled to recover reasonable attorney's fees.

8.4 Default: The Assessments levied against each Unit Owner shall be payable at the main office of the Association in such installments and at such time as may be determined by the Board of Administration and as provided in the By-laws. The payment of any such Assessment shall be in default if it is not paid to the Association on or before its due date.

8.5 Application of Proceeds in Event of Default: In the event that Unit is to be sold, leased or mortgaged at a time when payment of any Assessment by the Unit Owner shall be in default (whether or not a notice of lien has been recorded by the Association), then the rent or proceeds of such purchase or mortgage shall be applied by the lessee, purchaser or mortgagee first to payments of any then delinquent assessment or installments thereof due to the Association before the payment to the Unit Owner in default.

8.6 Claims of Lien:

(a) The Association has a lien on each condominium parcel to secure the payment of assessments. Except as otherwise provided in subsection (1) and as set forth below, the lien is effective from and shall relate back to the recording of the original declaration of condominium or in the case of lien on a parcel located in a phase condominium the recording of the original declaration or amendment thereto creating the parcel. However, as to first mortgages of record, the lien is effective from and after recording of a claim of lien in the Public Records of Miami-Dade County, Florida

(b) To be valid, a claim of lien must state the description of the condominium parcel, the name of the record owner, the name and address of the association, the amount due, and the due dates. It must be executed and acknowledged by an officer or authorized agent of the association. No such lien shall be effective longer than one (1) year after the claim of lien was recorded unless, within that time, an action to enforce the lien is commenced. The 1 year period shall automatically be extended for any length of time during which the association is prevented from filing a foreclosure action by an automatic stay resulting in a bankruptcy petition filed by the parcel owner or any other person claiming an interest in the parcel. The claim of lien shall secure all unpaid assessments which are due and which may accrue subsequent to the recording of the claim of lien and prior to the entry of a certificate of title, as well as interest and all reasonable costs and attorney's fees incurred by the association incident to the collection process. Upon payment in full, the person making the payment is entitled to a satisfaction of the lien.

(c) The Assessments are collected to pay the common expenses of the condominium. However, the Association, acting through the Board, shall have the right to assign to Developer or to any Unit Owner(s) or third party its collection rights for the recovery of any unpaid assessments.

8.7 Form of Notice of Contest of Lien; Recording, etc.

(a) By recording a notice in substantially the following form, a unit owner or his agent or attorney may require the Association to enforce a recorded claim of lien against his condominium parcel:

7440 SW 82<sup>nd</sup> Street  
Miami, Florida 33143

YOU are notified that the undersigned contests the claim of lien filed by you on \_\_\_\_\_, 20\_\_\_\_, and recorded in Official Records Book \_\_\_\_\_ at Page \_\_\_\_\_, of the public records of Miami-Dade County, Florida, and that the time within which you may file suit to enforce your lien is limited to ninety (90) days from the date of service of this notice.

Executed this \_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_.

\_\_\_\_\_  
(Signature of Unit Owner or his Attorney)

Service is complete upon mailing. After service, the Association has 90 days in which to file an action to enforce the lien; and, if the action is not filed within the 90-day period, the lien is void. However, the 90-day period shall be extended for any length of time that the association is prevented from filing its action because of an automatic stay resulting from the filing of a bankruptcy petition by the unit owner or by any other person claiming an interest in the parcel.

8.8 Foreclosure of Lien/Assumption of Liability for Payment of Assessments:

(a) The Association may bring an action in its name to foreclose a lien for assessments in the manner a mortgage of real property is foreclosed and may also bring an action to recover a money judgment for the unpaid assessments without waiving any claim of lien. The Association is entitled to recover its reasonable attorney's fees incurred in either a lien foreclosure action or an action to recover a money judgment for unpaid assessments.

(b) No foreclosure judgment may be entered until at least thirty (30) days after the Association gives written notice to the Unit Owner of its intention to foreclose its lien to collect the unpaid assessments. If this notice is not given at least thirty (30) days before the foreclosure action is filed and if the unpaid assessments, including those coming due after the claim of lien is recorded, are paid before the entry of a final judgment of foreclosure, the Association shall not recover attorney's fees or costs. The notice must be given by delivery of a copy of it to the Unit Owner or by certified or registered mail, return receipt requested, addressed to the Unit Owner at his last known address; and, upon such mailing, the notice shall be deemed to have been given, and the court shall proceed with the foreclosure action and may award attorney's fees and costs as permitted by law. The notice requirements herein are satisfied if the Unit Owner records a Notice of Contest of Lien as provided in Section 8.7 above. The notice requirements herein do not apply if an action to foreclose a mortgage on the Condominium Unit is pending before any court; if the rights of the Association would be affected by such foreclosure; and if actual, constructive, or substitute service of process has been made on the Unit Owner.

(c) If the Unit Owner remains in possession of the Unit after a foreclosure judgment has been entered, the court, in its discretion, may require the Unit Owner to pay a reasonable rental for the unit. If the unit is rented or leased during the pendency of the foreclosure action, the Association is entitled to the appointment of a receiver to collect the rent. The expenses of the receiver shall be paid by the party which does not prevail in the foreclosure action.

(d) If the Unit Owner remains in possession of the Unit and the claim of lien is foreclosed, the court, in its discretion, may also require the Unit Owner to pay taxes and prior encumbrances and interest thereon.

(e) The Association has the power to purchase the condominium parcel at the foreclosure sale and to hold, lease, mortgage, or convey it.

(e) A first mortgagee acquiring title to a condominium parcel as a result of foreclosure, or a deed in lieu of foreclosure, may not, during the period of its ownership of such parcel, whether or not such parcel is unoccupied, be excused from the payment of some or all of the Common Expenses coming due during the period of such ownership.

## 9.0 BUDGET AND ACCOUNTING:

9.1 Budget: A copy of the Estimated Operating Budget for the first year of operation of VILLAGE AT DADELAND, A CONDOMINIUM, is attached to this Declaration as Exhibit "G". The Board shall adopt a budget for each fiscal year thereafter. Such budget shall contain estimates of all costs and expenses for the proper operation, management and maintenance of the Condominium, including a reasonable allowance for contingencies and reserves, and shall take into account the projected income which is to be applied in reduction of the amounts required to be collected as an assessment each year. Common Expenses also shall include the cost of maintaining leaseholds, memberships and other possessory or use interests in lands and facilities to provide enjoyment, recreation or other use or benefit to Unit Owners, all as acquired by lease or agreement in form and content, satisfactory to the Board, including amounts which the Association may agree to pay to Developer for services or availability of service, including management. Assessments shall be established based upon such budget. Upon adoption of the budget, a copy of same shall be delivered to each Unit Owner, although failure to deliver a copy of the budget to each Unit Owner shall not affect the liability of any Unit Owner for such assessment. The Association shall maintain accounting records which shall be open to inspection by Unit Owners or their authorized representatives at reasonable times. Written summaries of such accounting records shall be furnished to Unit Owners or their representatives at least annually.

## 9.2 Reserves:

(a) Reserves for Capital Expenditures and Deferred Maintenance: Each annual budget shall include sums to be collected and maintained as reserves to be used for capital expenditures and deferred maintenance. These accounts shall include, but not be limited to, roof replacement, building painting, pavement resurfacing, and any other items for which the replacement cost is expected to exceed \$10,000.00. The amount to be reserved shall be computed by the Board by means of a formula based upon estimated remaining useful life and estimated replacement cost of each reserve item. Such reserves may be waived or reduced for a fiscal year by the affirmative vote of the majority of the Voting Interests of the Association at a duly called meeting of the Association. If such a meeting shall have been called and the necessary vote for waiver or reduction shall not have been attained or a quorum shall not have been obtained, the reserves as set forth in the budget shall go into effect in accordance with the By-laws.

(b) General Operation Funds. Each annual budget may include a sum to be collected and maintained as a general operating fund, which sum may be used to meet deficiencies from time to time existing as a result of delinquent payment of assessments by Unit Owners or as a result of emergencies or to pay other costs or expenses placing financial stress upon the Association. The amount to be allocated to such operating fund and collected therefor shall not exceed ten percent (10%) of the current annual assessment levied against all of the Unit Owners. Upon accrual in the operating fund of a sum equal to thirty percent (30%) of the current annual assessment, no further payments shall be collected, unless such operating fund shall be reduced below the thirty percent (30%) level, in which event, contributions to such operating fund shall be included in the annual assessment so as to restore the operating fund to thirty percent (30%) of the current annual assessment.

9.3 Collections: All monies collected by the Association shall be treated as the separate property of the Association. Such monies may be applied by the Association to the payment of any expense of operating the Condominium, or to the proper undertaking of all acts and duties

imposed upon it by virtue of this Declaration, the Articles of Incorporation and the By-Laws. Monies for any assessment paid to the Association by any Unit Owner may be commingled with monies paid to the Association by the other Unit Owners. Although all funds and the Common Surplus shall be held for the benefit of the Members of the Association, no Member shall have the right to assign, hypothecate, pledge or in any manner transfer his interest therein, except as an appurtenance to his Unit. When a Unit Owner shall cease to be a Member of the Association, the Association shall not be required to account to him for any share of the funds or assets of the Association, or for any sums which he may have paid to the Association.

9.4 Unpaid Assessments; Leased Units: If the Association is authorized by the Declaration or By-laws to approve or disapprove a proposed lease of a Unit, the grounds for disapproval may include, but are not limited to, a Unit Owner being delinquent in the payment of an assessment at the time approval is sought. Assessments which are unpaid after the due date shall bear interest at the maximum rate of interest chargeable to an individual as permitted by the laws of the State of Florida. Once interest has accrued, any subsequent payment shall be applied first to payment of interest and collection costs and then to the payment of the assessment first due.

10.1 Alterations by Unit Owners: No Unit Owner shall make or cause to be made any structural alteration, addition or improvement to his Unit or any structural or non-structural alterations, additions or improvements to the Common Elements, including Limited Common Elements ("alterations") without the Association's prior written consent. If the alteration sought by the Unit Owner shall involve the removal of any permanent interior partition, the Association shall have the right to permit such removal so long as such partition shall not be load-bearing and its removal would not affect or interfere with the furnishing of utility or other services. In the event the alterations require the disturbance and/or removal of any roofing materials identified as SACM the Unit Owner shall comply with all laws, rules and regulations governing the handling and removal of such materials. The Board shall have the obligation to answer (i.e., approve, disapprove or request further information) any written request sent certified mail, return receipt requested, by a Unit Owner for approval of a proposed alteration in such Unit Owner's Unit or appurtenant Limited Common Element(s) within thirty (30) days after such request is received. All alterations by the Unit Owners shall be made in compliance with all applicable laws, rules and ordinances and regulations and this Declaration. A Unit Owner making or causing to be made any alterations agrees, and shall be deemed to have agreed, to hold the Association and all other Unit Owners harmless from any liability arising therefrom.

10.2 Alteration by the Association: The Association shall have the right, with Board approval, to make or cause to be made alterations to the Common Elements costing in the aggregate not more than \$10,000 in a calendar year without the approval of the Unit Owners or Institutional Lenders. Alterations to the Common Elements costing in excess of \$10,000 for a calendar year shall require the prior approval of a majority of Unit Owners voting at a meeting at which a quorum is present. No alterations shall prejudice the rights of any Unit Owner in the use and enjoyment of his Unit. The cost of alterations shall be a Common Expense.

10.3 Maintenance/Repairs by Unit Owners: Each Unit Owner agrees to: (a) maintain in good condition and repair his Unit, except those portions to be maintained by the Association, including interior surfaces such as walls, ceilings and floors, patio fences and trellises, screens, windows and doors, and to replace such items, when necessary; and (b) maintain, repair and replace, if necessary, the fixtures and equipment within the Unit. The Association shall have the irrevocable right of access to each Unit during reasonable hours, when necessary for the maintenance, repair or replacement of any Common Elements or of any portion of a Unit to be maintained by the Association pursuant to the Declaration or as necessary to prevent damage to the Common Elements or to a Unit or Units. A Unit Owner shall be liable for the expense of any maintenance, repair or replacement to the Common Elements made necessary by his act or negligence or by that of any member of his family or his or their guests, invitees, employees, agents or lessees.

10.4 Maintenance/Repairs by Association: The Association shall be responsible for the maintenance, repair and replacement of all of the Common Elements including those portions which contribute to the support of the building, and all conduits, ducts, plumbing, wiring and other facilities for the furnishing of utility and other services. Should any incidental damage be caused

to any Unit by virtue of any work which may be done or caused to be done by the Association in the maintenance, repair or replacement of any Common Elements, the Association, shall, at its expense, repair such incidental damage. The costs of such maintenance for repair and replacement on the Common Elements, including Limited Common Elements, shall be paid by the Association, except that the cost of maintaining and repairing the garden areas abutting Units designated as Limited Common Elements, including, but not limited to landscaping shall be the responsibility of the Unit Owner who has the exclusive right to use such Limited Common Element. Whenever it is necessary to enter any Unit for maintenance, alteration or repair to any portion of the Common Elements, each Unit Owner shall permit the Association to enter such Unit for such purpose, provided that such entry shall be made only at reasonable times and with reasonable notice.

#### 11.0 RIGHTS TO SELL, LEASE AND MORTGAGE

No Unit Owner may sell or lease his Unit or any interest therein, except by complying with the following provisions:

##### 11.1 Approval by Association:

- (a) Notice of Outside Offer; Association's Approval Required: Any Unit Owner who receives a bona fide written offer, (hereinafter called "the Outside Offer") which he intends to accept for the purchase of his Unit shall: (a) give notice to the Association, by registered or certified mail, return receipt requested, of such offer and intention, together with the name, address, business, occupation or employment, if any, of the proposed purchaser and the terms of the proposed transaction and shall enclose with such notice an executed copy of the Outside Offer; and (b) such notice shall include an offer to sell such Unit to the Association or its designee, on the same terms and conditions as contained in the Outside Offer. Such notice shall constitute a representation and warranty to the Association that such Unit Owner believes the Outside Offer to be bona fide.
- (b) Certificate of Approval. Within ten (10) days after receipt of such notice and information, the Association must either approve or disapprove the proposed transaction. If approved, the approval shall be stated in a certificate executed by the proper officers of the Association in recordable form and shall be delivered to the purchaser and shall be recorded in the Public Records of Miami-Dade County, Florida.
- (c) Approval of Owner Other than an Individual: Inasmuch as the Condominium may be used only for residential purposes, and a corporation, trust or other entity cannot occupy a Unit for such use, if the Unit Owner or purchaser of a Unit is a corporation, trust or other entity, the approval of ownership by the corporation, trust or other entity shall be conditioned upon the primary occupant of the Unit being approved by the Association. Any change in the primary occupant of the Unit shall be deemed a change of ownership subject to Association approval pursuant to this Article.

11.2 Disapproval by Association: If the Association shall disapprove of the proposed sale and the Unit Owner has offered to sell the Unit to the Association, then, within twenty (20) days after receipt of such notice, the Association may elect, by notice to such Unit Owner by registered or certified mail, return receipt requested, to purchase such Unit, or to cause the same to be purchased or leased by its designee, on the same terms and conditions as contained in the Outside Offer.

11.3 Association's Election to Purchase: In the event the Association shall elect to purchase such Unit, or to cause the same to be purchased by its designee, title shall close at a place chosen by the Association within thirty (30) days after the date of the Association's notice of its election to accept such offer, or within the time specified in the Outside Offer, whichever period is greater. If, pursuant to the Outside Offer, the Outside Offeror was to assume or take title to the Unit subject to the Unit Owner's existing mortgage(s), the Association (or its designee) shall purchase the Unit and take title to the Unit subject to said existing mortgage(s). If such Unit is to be sold, the Unit Owner shall convey the same to the Association or to its designee by statutory warranty deed,

with all documentary stamps affixed at the expense of the Unit Owner, who shall also pay all other taxes arising out of such sale. The Association shall not exercise any option to purchase any unit as hereinabove set forth without prior approval of a majority of the Unit Owners voting at a meeting at which a quorum is present.

11.4 Association's Failure to Make Election: In the event the Association or its designee shall fail to accept such offer within ten (10) days after receiving proper notice thereof, the Unit Owner shall be free to contract to sell such Unit on the terms and conditions of the Outside Offer, within twenty (20) days after: (1) notice of refusal is sent; or (2) the expiration of the period in which the Condominium Association or its designee might have accepted such offer, as the case may be. In the event the Unit Owner shall not consummate the transaction within the said twenty (20) day period, the Unit Owner shall be required to again comply with all terms and provisions of this Section.

11.5 Subsequent Offers: In the event that the Unit Owner shall not consummate the contract to sell pursuant to all of the terms and conditions set forth in his notice to the Association, then should such Unit Owner thereafter elect to sell such Unit to the same or another Outside Offeror on the same or other terms and conditions, the Unit Owner shall be required again to comply with all of the provisions of this Article.

11.6 Application of Condominium Documents to Grantee or Lessee: Every deed to an Outside Offeror shall provide that the acceptance thereof by the grantee shall constitute an assumption of the provisions of this Declaration, the By-Laws and the Rules and Regulations.

11.7 Unauthorized Transactions: Any sale or lease not authorized pursuant to the terms of this Section shall be null and void unless subsequently approved by the Association.

11.8 Restrictions/Exceptions to Right of First Refusal: The right of first refusal shall not apply to any of the following:

- (a) The foreclosure or other judicial sale of a Unit, although the purchaser's title derived from any foreclosure or judicial sale shall thereafter be subject to the right of first refusal granted to the Association pertaining to the lease or sale of such Unit, unless such purchaser otherwise shall be excepted from the right of first refusal under the provisions of this paragraph.
- (b) The conveyance made by the Unit Owner to an Institutional Lender in lieu of foreclosure.
- (c) The sale or purchase of any Unit to or by Developer, including without limitation, any sublease or lease made by a Unit Owner to a party approved by or made through Developer.
- (d) Any sale or conveyance of any Unit by: (a) the Unit owner thereof to his spouse, adult children, parents, parents-in-law, adult siblings or to any one or more of them; (b) Developer; (c) the Condominium Association; (d) any proper officer conducting the sale of a Unit in connection with the foreclosure of a mortgage or other lien covering such Unit or delivering a deed in lieu of foreclosure; or (e) any Institutional Lender (or its assigns) deriving title by virtue of foreclosure or by deed in lieu of foreclosure.
- (e) Any Unit Owner shall be free to convey or transfer his Unit by gift to devise his Unit by will, or to have his Unit pass by intestacy. Each succeeding Unit Owner shall be bound by, and the Unit shall be subject to, the provisions of this Section.

11.9 Certification of Termination of Right of First Refusal: A certificate executed and acknowledged by the Secretary of the Condominium Association stating that the right of first refusal contained therein has been duly released or waived by the Association and that, consequently, the rights of the Association thereunder have terminated, shall be conclusive upon the Association and the Unit Owners in favor of all persons who rely on such certificate in good faith. The Board shall furnish such certificate upon request to the affected Unit Owner. No fee in excess of the

expenditures reasonably required for same shall be charged by the Association for furnishing such certificate, and this expense shall not exceed any maximum amount allowed under the Act.

11.10 Financing of Purchase of Units by Association: The purchase of any Unit by the Association shall be on behalf of all Unit Owners. If the available funds of the Association shall be insufficient to effectuate any such purchase, the Board, in its discretion, may levy an assessment against each Unit Owner in proportion to his share of the Common Expenses, and/or finance all or part of the acquisition of such Unit; provided, however, that no such financing may be secured by an encumbrance or hypothecation of any portion of the Condominium Property other than the Unit to be purchased.

11.11 Leasing. Leasing of Units or portions thereof shall not be subject to the prior written approval of the Association, however, each lease shall specifically provide (or, if it does not, shall be automatically deemed to provide) that a material condition of the lease shall be the tenant's full compliance with the covenants, terms, conditions and restrictions of this Declaration (and all Exhibits hereto) and with any and all rules and regulations adopted by the Association from time to time (before or after the execution of the lease). The Unit Owner will be jointly and severally liable with the tenant to the Association for any amount which is required by the Association to repair any damage to the Common Elements resulting from acts or omissions of tenants (as determined in the sole discretion of the Association) and to pay any claim for injury or damage to property caused by the negligence of the tenant. All leases are hereby made subordinate to any lien filed by the Condominium Association, whether prior or subsequent to such lease. The Association may charge a fee in connection any lease, sublease, or other transfer of a Unit, provided, however that such fee may not exceed \$100 per applicant other than husband/wife or parent/dependent child, which are considered one applicant, and provided further, that if the lease or sublease is a renewal of a lease or sublease with the same lessee or sublessee, no charge shall be made. If so required by the Association, Unit Owners wishing to lease their Units shall be required to place in escrow with the Association a reasonable sum, not to exceed the equivalent of one month's rental, which may be used by the Association to repair any damage to the Common Elements and/or Association Property resulting from acts or omissions of tenants (as determined in the sole discretion of the Association). Payment of interest, claims against the deposit, refunds and disputes regarding the disposition of the deposit shall be handled in the same fashion as provided in Part II of Chapter 83, Florida Statutes. No lease of a Unit shall be for a period of less than thirty (30) days. When a Unit is leased, a tenant shall have all use rights in Association Property and those Common Elements otherwise readily available for use generally by Unit Owners, and the Owner of the leased Unit shall not have such rights, except as a guest, unless such rights are waived in writing by the tenant. Nothing herein shall interfere with the access rights of the Unit Owner as a landlord pursuant to Chapter 83, Florida Statutes. The Association shall have the right to adopt rules to prohibit dual usage by a Unit Owner and a tenant of Association Property and Common Elements otherwise readily available for use generally by Owners.

11.12 Mortgage of Units: Each Unit Owner shall have the right to mortgage his Unit without restriction.

## 12.0 INSURANCE AND RECONSTRUCTION

12.1 Insurance Generally: The Association shall use its best efforts to obtain and maintain adequate insurance to protect the Association, the Association property, the Common Elements, and the Condominium Property required to be insured by the Association pursuant to subsection 12.2 below. The Association may also obtain and maintain liability insurance for directors and officers, insurance for the benefit of Association employees, and flood insurance for Common Elements, Association property, and Units pursuant to subsection 12.8 below.

### 12.2 Hazard Insurance:

- (a) Building Coverage: Every hazard policy which is issued to protect the Condominium Building shall provide that the word "building" wherever used in the policy include, but not necessarily be limited to, fixtures, installations, or additions comprising that part of the building within the unfinished interior surfaces of the perimeter walls, floors, and ceilings of the individual units initially installed, or replacements thereof of like kind or quality, in accordance with the

original plans and specifications, or as they existed at the time the Unit was initially conveyed.

- (b) Exclusion from Building Coverage: Hazard insurance on the "building" does not include unit floor coverings, wall coverings, or ceiling coverings and the following equipment if it is located within a Unit and the Unit Owner is required to repair or replace such equipment: electrical fixtures, appliances, air conditioner or heating equipment, water heaters, or built-in cabinets. With respect to the coverage provided for by this paragraph, the Unit Owners shall be considered additional insurers under the policy.
- (c) Extent of Coverage: Hazard insurance on the "building" shall afford protection against: (1) loss or damage by fire and other hazards covered by a standard extended coverage endorsement; and (2) such other risks as from time to time shall be customarily covered with respect to buildings similar in construction, location and use, including but not limited to vandalism and malicious mischief. All policies of physical damage insurance shall contain waivers of subrogation and waivers of any defense based on co-insurance or other insurance or of invalidity arising from any acts of the insured and of pro rata reduction of liability, and shall provide that such policies may not be canceled or substantially modified without at least ten (10) days' prior written notice to all of the insurers, including all mortgagees of Units. Duplicate originals of all policies of physical damage insurance and of all renewals thereof, together with proof of payment of premiums, shall be delivered to all Institutional Lenders at least ten (10) days prior to the expiration of the current policies. Prior to obtaining any policy of fire insurance or any renewal thereof, the Board shall obtain an appraisal from a fire insurance company or otherwise of the full replacement value of the building (exclusive of foundation), including all of the Units and all of the Common Elements therein, without deduction for depreciation, for the purpose of determining the amount of fire insurance to be obtained pursuant to this Article.

12.3 Unit Owner's Liability Insurance: Each Unit Owner shall be liable for injuries or damages resulting from an accident in his own Unit, to the same extent that a homeowner would be liable for an accident occurring within his house. Each Unit Owner must, at his own expense, obtain insurance coverage against personal liability for injury to the person or property of another while within such owner's Unit or upon the Common Elements. No Unit Owner shall be liable personally for any damages caused by the Association in connection with the use of the Common Elements.

12.4 Requirements Concerning Unit Owner's Insurance: Every insurance policy issued to an individual Unit Owner shall provide that the coverage afforded by such policy is excess over the amount recoverable under any other policy covering the same property without rights of subrogation against: (1) other Unit Owners; (2) the Association; and (3) the respective servants, agents and guests of other Unit Owners.

12.5 Reconstruction of Unit: In the event of loss or damage to a Unit, the Unit Owner, with all due diligence, shall repair, replace and restore such damaged or destroyed portions located within the Unit to a condition as good as that before such loss or damage: (1) in accordance with the original plans and specifications for the building; or (2) as the building was last constructed; or (3) in accordance with plans approved by the Board of Administration. If the Unit Owner shall refuse or fail to commence, repair, replace or restore his Unit within thirty (30) days, or to complete such work within six (6) months, the Association may repair, replace or restore the Unit and charge the Unit Owner for the cost of such work.

12.6 Association's Liability Insurance: The Association shall maintain comprehensive general public liability and automobile liability insurance covering loss or damage resulting from accidents or occurrences on or about or in connection with the Condominium Property or adjoining driveways and walkways, or any work, matters or things related to the Condominium Property or to this Declaration and its exhibits, with such coverage as shall be required by the Board, but with combined single limit liability of not less than \$500,000 for each accident or occurrence, \$250,000 per person and \$50,000 property damage, and with cross liability endorsement to cover liabilities of the Unit Owners as a group to a Unit Owner and vice versa.

12.7 Association's Workers' Compensation Insurance: The Association shall maintain workers' compensation insurance to meet the requirements of law.

12.8 Other Types of Insurance: The Association also shall maintain:

- (a) Flood insurance;
- (b) Fidelity insurance covering all persons who control or disburse association funds, which policy or fidelity bond must cover the maximum funds that will be in the custody of the Association or management agent at any one time;
- (c) Director's liability insurance, if reasonably obtainable, with limits of not less than \$100,000;
- (d) Such other insurance as the Board shall determine from time to time to be necessary and proper.

12.9 Insurer's Waiver: When appropriate and obtainable each of the foregoing policies shall waive the insurer's right to: (1) subrogation against the Association and against the Unit Owners individually and as a group; (2) the pro rata clause that reserves the insurer the right to pay only a fraction of any loss if other insurance carriers have issued coverage upon the same risk; and (3) avoid liability for a loss that is caused by an act of the Board or by an Director or by one or more Unit Owners.

12.10 Purchase of Association's Insurance: All authorized insurance for the Condominium shall be purchased by the Association. The cost of the insurance shall be a Common Expense, as shall be any other fees and expenses incurred which may be necessary or incidental to carrying out the provisions hereof. Each policy shall be issued by an insurance company authorized to do business in Florida and with an office or agent located in Miami-Dade County.

12.11 Named Insured: With respect to coverage on the Condominium Property, the named insured shall be the Condominium Association individually and as agent for Unit Owners and their mortgagees covered by the policy, without naming them. Unit Owners shall be considered additional insureds under each policy.

12.12 Custody of Policies and Payment of Proceeds: All policies shall provide that the insurer's payments for losses shall be made to the Insurance Trustee, and that all policies and endorsements shall be deposited with the Insurance Trustee.

12.13 Approval of Insurance by Mortgagees: Each insurance policy, the agency and company issuing the policy and the Insurance Trustee shall be subject to the approval of the Institutional Lender then holding the greatest dollar volume of Unit mortgages. One copy of each insurance policy or a certificate evidencing same, and all endorsements thereon, shall be furnished by the Condominium Association to each mortgagee included in the mortgagee register. Copies or certificates shall be furnished not less than ten (10) days prior to the beginning of the term of the policy or not less than ten (10) days prior to the expiration of each preceding policy that is being renewed or replaced, whichever date shall occur first.

12.14 Insurance Trustee; Proceeds: All insurance policies of the Association shall be for the benefit of the Association and the Unit Owners and their mortgagees, as their interests may appear, and shall provide that all proceeds covering property losses shall be paid to the Insurance Trustee, as designated by the Board, which shall be any bank, savings and loan or trust company in Florida with trust powers and with its principal place of business in Miami-Dade County, Florida. The Insurance Trustee shall not be liable for payment of premiums or for the renewal or the sufficiency of policies, or for the failure to collect any insurance proceeds. The Insurance Trustee's duty shall be to receive such proceeds as are paid and to hold the same in trust for the Unit Owners and their respective mortgagees in the following shares (which shares need not be set forth in the Insurance Trustee's records):

- (a) Damage to Common Elements: An undivided share of the proceeds shall be held for each Unit Owner in proportion to his Unit's Common Interest.

(b) Damage to Units:

- (i) When a building is to be restored, an undivided share of the proceeds shall be held for each Unit Owner in such building in the proportion that the cost of repairing the damage sustained by each Unit, as determined by the Association, bears to the total proceeds received.
- (ii) When a building is not to be restored, an undivided share of the proceeds shall be held for each Unit Owner in proportion to his Unit's Common Interest.

12.15 Assessments; Insurance Proceeds Insufficient: If it shall appear that the insurance proceeds covering casualty loss or damage are insufficient to pay for the repair, replacement or reconstruction of the loss or damage sustained by the Common Elements, then the Association shall deposit with the Insurance Trustee a sum which, together with the insurance proceeds, will be sufficient to completely pay for the repair, replacement or reconstruction of such loss or damage. The monies so deposited by the Association may be drawn from the replacements reserve fund if approved in advance by a majority vote at a duly called meeting of the Association. If the sum in such fund is insufficient, then the Association shall levy and collect an assessment proportionally against all the Unit Owners, in the amount needed to pay for such repair, replacement or reconstruction.

12.16 Distribution of Proceeds: Proceeds of insurance policies received by the Insurance Trustee shall be distributed in the following manner:

- (a) Expenses of the Trust: All expenses of the Insurance Trustee shall be first paid or provision made therefor.
- (b) Reconstruction or Repair: If the damage shall be repaired or reconstructed, the remaining proceeds shall be paid to defray the costs thereof. Any proceeds remaining after defraying such costs shall be distributed according to Common Interests to the Unit Owners and their mortgagees, being payable jointly to them.
- (c) Failure to Reconstruct or Repair: If it is determined that the damage shall not be reconstructed or repaired, the remaining proceeds shall be divided among all the Unit Owners in proportion to their respective Common Interests, provided, however, that no payment shall be made to a Unit Owner until all liens on his Unit have been satisfied from his share of the fund by distributing first to the Institutional Lender in an amount sufficient to satisfy and pay its mortgages in full, and the balance, if any, to the Unit Owner with the proviso that remittances to the Unit Owner and his mortgagee shall be payable jointly to them.
- (d) Association Certificate; Unit Owner Insurance Shares: In making distribution to Unit Owners and their mortgagees, the Insurance Trustee may rely upon a certificate of the Association executed by its president and secretary as to the names of the Unit Owners, their mortgagees and their respective shares of the distribution.

12.17 Restriction on Mortgagee Insurance Share: Certain provisions in this Article are for the benefit of the mortgagees of Units and maybe enforced by such mortgagees. No mortgagee shall, however, have any right to apply or have applied to the reduction of a mortgage debt any insurance proceeds except distributions thereof made pursuant to this Section. No mortgagee shall have any right to determine or participate in the determination as to whether or not any damaged property shall be reconstructed or repaired.

12.18 Association as Agent: The Condominium Association is hereby irrevocably appointed agent for each Unit Owner, mortgagee and owner of any other interest in the Condominium Property to adjust all claims arising under insurance policies purchased by the Association and to execute and deliver releases upon the payment of claims.

12.19 Determination to Reconstruct or Repair: The Association shall be responsible for reconstruction and repair after casualty loss or damage to the Condominium. Except in the case of termination of the Condominium, the Board shall arrange for necessary repairs and reconstruction either within sixty (60) days from the date the Insurance Trustee notifies the Board that it holds proceeds of insurance on account of such damage or destruction sufficient to pay the estimated cost of such work or within ninety (90) days after the Insurance Trustee notifies the Board that such proceeds of insurance are insufficient to pay said estimated costs of such work. Such reconstruction and repairs shall apply to all damaged Units and shall include bathroom and kitchen fixtures as initially installed by Developer, but shall not include furniture, furnishings, and other personal property supplied or installed by any Unit Owner or tenant. The Insurance Trustee shall disburse the proceeds of all insurance policies to the contractors engaged in such repair and restoration in appropriate progress payments.

12.20 Termination in Lieu of Reconstruction: In the event of the destruction of at least seventy-five percent (75%) of the total value of the improvements and the building of the Condominium Property (as determined by the Board), then this Condominium shall be terminated, unless at a meeting of the Association held within thirty (30) days from the date the damage was sustained, Unit Owners owning at least two-thirds (2/3) of the Units agree that the Condominium shall be reconstructed. If this Condominium is to be terminated, then a certificate of resolution of the Board to such effect and notice of cancellation and termination shall be executed by the president and secretary of the Association in recordable form and recorded in the Public Records of Miami-Dade County, Florida. Upon such termination, all Unit Owners shall be tenants in common as to ownership of the Common Elements and the Common Surplus in the proportion of their Common Interests. The lien of any mortgage or other encumbrance upon each Unit shall attach, in the same order or priority, to the percentage of undivided interest of the Unit Owner. Upon termination of this Declaration and within sixty (60) days from the date of recording of the certificate of resolution, the owner(s) of all Units still habitable shall deliver possession of their respective Unit(s) to the Association. Upon termination of this Declaration, the Insurance Trustee shall distribute the insurance proceeds from any casualty insurance coverage to the Unit Owners and their mortgagees, as their respective interests may appear, in accordance with their Common Interests. The assets of the Association, upon termination shall be distributed to all of the Unit Owners and their mortgagees, as their respective interests may appear, in the same manner as provided for the distribution of any final insurance proceeds. The Insurance Trustee may rely upon a certificate of the Condominium Association executed by its president and secretary to determine whether or not the damaged property is to be reconstructed or repaired.

12.21 Plans and Specifications: Any reconstruction or repair must either be: (1) substantially in accordance with the original plans and specifications for the original improvements; or (2) according to plans and specifications approved by the Board. If the damaged property is a building containing Units, then the plans and specifications must be approved by the owners owning at least two-thirds (2/3) of the Units, including the owners of all Units (and their respective mortgagee) which are to be altered by virtue of such plans and specifications.

12.22 Contracts for Repair: The Association shall obtain reliable and detailed estimates of the cost to rebuild or repair damage. The estimate shall be obtained immediately after a determination is made to rebuild or repair. Before they may become binding, all contracts for repair, replacement or reconstruction of loss or damage shall be approved by the Board.

12.23 The Construction Fund: The construction fund shall consist of: (i) insurance proceeds collected by the Insurance Trustee as a result of casualty loss or damage; and (ii) the Association's assessments and/or reserve funds (if approved in advance by a majority vote at a duly called meeting of the Association) to be deposited with the Insurance Trustee in the event insurance proceeds are insufficient to cover the cost of necessary repair, replacement and reconstruction. Construction funds shall be disbursed in the following manner and order:

- (a) Minor Damage: If the amount of the estimated costs of reconstruction, replacement and repair is less than \$5,000, then the construction fund shall be disbursed in payment of such costs upon the order of the Board, unless a mortgagee of a damaged Unit notifies the Insurance Trustee of such mortgagee's objection(s), in which case such funds shall be disbursed in the manner provided for disbursements for major damage.

- (b) Major Damage: If the amount of the estimated costs of reconstruction and repair is more than \$5,000, then the construction fund shall be disbursed in payment of such costs upon the order of the Board together with the approval of an architect qualified to practice in Florida and employed by the Association to supervise the work.
- (c) Distribution of Excess Proceeds: If the proceeds in the construction fund are in excess of all paid costs of repair, replacement and reconstruction, then such excess proceeds shall be applied first to the Association's reserve funds to the extent that the Association deposited reserve funds with the Insurance Trustee and the remainder shall be allocated to Unit Owners to the extent of special assessments by the Association and any further amount shall be distributed pursuant to the terms of this Section.
- (d) Association Certificate to Insurance Trustee: The Insurance Trustee may rely upon a duly executed certificate of the Association as to all of the following matters: (a) whether Association assessment and reserve funds shall be deposited with the Insurance Trustee (b) whether an architect's approval shall be necessary for disbursement from the construction fund; (c) whether any disbursement shall be made from the construction fund; (d) names of payees and amounts to be paid; and (e) whether all costs have been paid, leaving excess proceeds for distribution.

### 13.0 CONDEMNATION: EMINENT DOMAIN

13.1 Deposit of Awards with Insurance Trustee: The taking of Condominium Property by condemnation or eminent domain ("the taking") shall be deemed to be a casualty, and the awards for that taking shall be treated as insurance proceeds and shall be deposited with the Insurance Trustee. Even though the awards may be payable to Unit Owners, the Unit Owners shall deposit the awards with the Insurance Trustee.

13.2 Determination Whether to Continue Condominium: Whether the Condominium will be continued after the taking will be determined in the manner provided in this Declaration for determining whether damaged property will be reconstructed and repaired after casualty.

13.3 Disbursement of Funds: If the Condominium is terminated after the taking, the proceeds of the awards and special assessments shall be deemed to be Condominium Property and shall be owned and distributed in the manner provided for distribution of insurance proceeds after a casualty. If the Condominium is not so terminated, the size of the Condominium shall be reduced and the owners of taken Units will be made whole and the property damaged by the taking will be made usable in the manner provided below. The proceeds of the awards and special assessments shall be used for these purposes and shall be disbursed in the manner provided in this Declaration for disbursements of funds by the Insurance Trustee after a casualty.

13.4 Unit(s) Reduced but Habitable: If the taking reduces the size of a Unit and the remaining portion of the Unit can be made habitable, the award for the taking of a portion of the Unit shall be used as follows:

- (a) Restoration of a Unit: If possible, the Unit shall be made habitable.
- (b) Distribution of Surplus: Any surplus balance of the award shall be distributed to the Unit Owner and to each mortgagee of the Unit, if any, the remittance being made payable jointly to the owner and mortgagee(s).
- (c) Adjustment of Common Interests: If the floor area of any Unit is reduced by the taking, the Common Interest of all Unit Owners shall be recomputed whereby each Common Interest shall be a fraction whose numerator, is the number of square feet of floor space in the Unit and whose denominator is the number of square feet of the aggregate of all of the remaining Units.

13.5 Uninhabitable Unit(s): If the taking is of the entire Unit or so much of the Unit as to render it uninhabitable, then the award shall be used as follows:

- (a) Payment of Award: The award shall be divided among those Unit Owners whose Units are uninhabitable in proportion to their Common Interests, provided however, that no payment shall be made to a Unit Owner until all liens upon his Unit have been satisfied from his share of the funds.
- (b) Addition to Common Elements: The remaining portion of any uninhabitable Unit shall become part of the Common Elements and shall be renovated to be usable by all Unit Owners in a manner approved by the Board.
- (c) Adjustment of Common Interests: Recomputation of the remaining Unit Owners' Common Interests shall be pursuant to the procedure set forth subsection 13.4(c) hereof.

13.6 Taking of Common Elements: Awards for the taking of Common Elements shall be used to make the remaining portion of the Common Elements usable in the manner approved by the Board.

13.7 Amendment: Changes in the Condominium caused by the taking shall be evidenced in an amendment to the Declaration, which amendment shall require the approval only of a majority of the board.

#### 14.0 INSTITUTIONAL LENDER PROTECTION

14.1 Notices: Generally: Each Institutional Lender, at its written request, shall be entitled to written notification from the Association of any default by the Owner of a Unit encumbered by Institutional Lender's mortgage in the performance of such Owner's obligations under this Declaration, the Articles of Incorporation or the By-Laws, if such default shall not be cured within thirty (30) days after the Association shall learn of such default. Each Institutional Lender which has registered its name with the Association shall be given: (i) thirty (30) days written notice prior to the effective date of any proposed, material amendment to this Declaration or the Articles of Incorporation or By-Laws and prior to the effective date of the termination of any agreement for professional management of the Condominium Property following a decision of the Owners to assume self-management of the Condominium Property; and (ii) immediate notice following any damage to the Condominium Property whenever the cost of reconstruction shall exceed Ten Thousand Dollars (\$10,000.00), and as soon as the Board shall learn of any threatened condemnation proceeding or proposed acquisition of any portion of the Condominium Property.

14.2 Notices/FNMA Requirements: If the FNMA requirements are applicable, upon written request to the Association, identifying the name and address of the Institutional Lender, or insurer or guarantor thereof, and the Unit number or address, any such eligible mortgage holder or eligible insurer or guarantor will be entitled to timely written notice of: (a) any condemnation loss or any casualty loss which affects a material portion of the Condominium Property or any Unit on which there is a first mortgage held, insured or guaranteed by such eligible mortgage holder or eligible insured or guarantor, as applicable; (b) any delinquency in the payment of assessments or charges owed by an Owner of a Unit subject to a first mortgage held, insured or guaranteed by such eligible holder or eligible insurer or guarantor, which remains uncured for sixty (60) days; (c) any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association; and (d) any proposed action which would require the consent of a specified percentage of mortgage holders.

14.3 Prior Assessments: The liability of each Institutional Lender which shall obtain title to a Unit pursuant to the remedies provided in its mortgage on the Unit or by foreclosure of such mortgage, shall be limited to the lesser of (1) the Unit's unpaid common expenses and regular periodic assessments which accrued or came due during the six (6) months immediately preceding the acquisition of title and for which payment in full has not been received by the Association; or (2) one (1%) percent of the original mortgage debt. Provided the Association is not dissolved and maintains an office or agent for service of process at a reasonably discoverable location, the Association must be joined in the foreclosure action.

14.4 Restriction on Association Authority: The Association shall not be entitled to take the following actions without the prior written approval (which such approval may not be unreasonably withheld) of at least two-thirds (2/3): (i) of the Institutional Lenders (based upon one vote for each first mortgage owned); and (ii) of the Owners including the Developer (based upon one vote for each Unit):

- (a) By act or omission, seek to abandon, partition, subdivide, encumber, sell or transfer the Condominium Property (the granting of easements for public utilities or for other public purposes consistent with the intended use of such Condominium Property shall not be deemed a transfer);
- (b) Change the method of determining the obligations, assessments, dues or other charges which may be levied against an Owner;
- (c) By act or omission, change, waive or abandon any scheme of regulations, or enforcement thereof, pertaining to the architectural design or the exterior appearance of Residences, the exterior maintenance of the Units, the maintenance of the Condominium Property, party walks or common fences and driveways, care the upkeep of lawns and plantings in the Community;
- (e) Fail to maintain fire and extended coverage on insurable Condominium Property on a current replacement cost basis in an amount not less than one hundred percent (100%) of the insurable value (based on current replacement cost);
- (f) Use hazard insurance proceeds for losses to any Condominium Property for other than the repair, replacement or reconstruction of such Condominium Property.

14.5 Inspection of Books and Records: Institutional Lenders shall have the right to examine the Association's books and records during normal business hours.

14.6 Right to Pay Overdue Charges: Institutional Lenders may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against any Condominium Property facilities and may pay any overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy, for such property, and Institutional Lenders making such payments shall be owed immediate reimbursement therefor from the Association.

#### 15.0 COMPLIANCE: DEFAULT

15.1 Compliance, Generally: Each owner, tenant and occupant of a Unit shall comply with the provisions of this Declaration, the Articles of Incorporation and the By-Laws of the Association. Failure to comply therewith shall be grounds for relief sought by the Association which may include an action for damages, injunctive relief, foreclosure of lien or any combination of the foregoing.

15.2 Unit Owner's Liability: Each Unit Owner shall be liable for the expense of any maintenance, repair or replacement rendered necessary by his act, neglect or carelessness, or by the act of any member of his family, any guest, employee, agent or tenant, but only to the extent that such expense is not met by the insurance proceeds paid to the Association. The Association shall be entitled to recover its costs where judicial proceedings are involved in establishing liability, including reasonable attorneys' fees. In no event shall any Unit Owner be entitled to attorneys' fees.

15.3 No Waiver: The failure of the Association or of a Unit Owner to enforce any rights, provisions, covenant or condition which may be granted by this Declaration or other Condominium documents shall not constitute a waiver to enforce such rights, provisions, covenant or condition in the future.

15.4 Fines: The Association may levy a reasonable fine against a Unit and/or Unit Owner for the failure of the Owner of the Unit, the Unit's occupant, or the Unit Owner's lessee, licensee, or invitee to comply with this Declaration (including its exhibits and amendments) and/or

the Rules and Regulations promulgated by the Association from time to time. No such fine levied by the Association will be a lien against the Unit nor may the fine exceed \$100.00 per violation. However, a fine may be levied on the basis of each day of a continuing violation, with a single notice and opportunity for hearing provided that no such fine shall in the aggregate exceed \$1,000.00. The party against whom the fine is sought to be levied shall be afforded an opportunity for hearing before a committee of other Unit Owners. If the committee does not agree with the fine, the fine may not be levied. No fine may be levied except after giving reasonable notice of at least fourteen (14) days, which notice shall include:

- (a) A statement of the date, time and place of the hearing;
- (b) A statement of the provisions of the Declaration of Condominium, By-Laws or Rules and Regulations which have allegedly been violated; and
- (c) A short and plain statement of the matters asserted by the Association.
- (d) The party against whom the fine may be levied shall have an opportunity to respond, to present evidence, and to provide written and oral argument on all issues involved and shall have an opportunity at the hearing to review, challenge and respond to any material considered by the Association.

15.5 Cumulative Remedies: All rights, remedies and privileges granted to the Association or the Unit Owners pursuant to any terms, provisions, covenants or conditions of this Declaration or other Condominium documents shall be deemed to be cumulative, and the exercise of any one or more shall not be deemed to constitute an election of remedies, nor shall it preclude the party thus exercising the same from exercising such other and additional rights, remedies or privileges as may be available at law or in equity. The failure of Developer to enforce any rights, privileges, covenant or condition which may be granted to Developer by this Declaration or other Condominium documents shall not constitute waiver of the right of Developer thereafter to enforce such right, provision, covenant or condition in the future.

## 18. TERMINATION OF CONDOMINIUM

18.1 Termination - Generally: Unless otherwise provided in this Declaration, the Condominium Property may be removed from the provisions of this chapter only by consent of all of the Unit Owners, evidenced by a recorded instrument to that effect, and upon the written consent by all of the holders of recorded liens affecting any of the condominium parcels. The division must be notified of the termination or merger prior to taking any action to terminate or merge the Condominium or the Association. Upon recordation of the instrument evidencing consent of all the Unit Owners to terminate the Condominium, the Association shall notify the division within 30 working days of the termination and the date the document was recorded, the county where the document was recorded, and the book and page number of the public records where the document was recorded, and shall provide the division a copy of the recorded termination notice certified by the clerk.

18.2 Powers and Duties of Directors: Notwithstanding any contrary provision in this Declaration or the Bylaws, the powers and duties of the directors, or other person or persons appointed by the court pursuant to subsection (4), after the commencement of a termination proceeding include, but are not limited to, the following acts in the name and on behalf of the association:

- (a) To employ directors, agents, attorneys to liquidate or wind up its affairs.
- (b) To continue the conduct of the affairs of the Association insofar as necessary for the disposal or winding up thereof.
- (c) To carry out contracts and collect, pay, compromise, and settle debts and claims for and against the association.
- (d) To defend suits brought against the Association.
- (e) To sue in the name of the Association, for all sums due or owing to the Association or to recover any of its property.

- (h) To collect and receive any and all rents, profits, accounts receivable, income, maintenance fees, special assessments, and insurance proceeds for the Association.
- (i) In general, to make contracts and to do any and all things in the name of the Association which may be proper and convenient for the purposes of winding up, selling, and liquidating the affairs of the Association.

18.3 Election of Vacancy: Unless the Declaration or the Bylaws provide otherwise, a vacancy in the board during a winding up proceeding, resulting from the resignation or expiration of term of any director, may be filled by a majority vote of the Unit Owners.

18.4 Appointment of Receiver: If, after a natural disaster, the identity of the directors or their right to hold office is in doubt, or if they are dead or unable to act, or if they fail or refuse to act or their whereabouts cannot be ascertained, any interested person may petition the circuit court to determine the identity of the directors, or if determined to be in the best interest of the Unit Owners, to appoint a receiver to wind up the affairs of the Association after hearing upon such notice to such persons as the court may direct. The receiver shall be vested with those powers as

are given to the Board of Directors pursuant to the Declaration and Bylaws and subsection (2) and such others which may be necessary to wind up the affairs of the Association and set forth in the order of appointment. The appointment of the receiver shall be subject to such bonding requirements as the court may direct in the order of appointment. The order shall also provide for the payment of a reasonable fee for the services of the receiver from the sources identified in the order, which may include rents, profits, incomes, maintenance fees, or special assessments collected from the Condominium Property.

18.5 Determination of Debts and Liabilities: After determining that all known debts and liabilities of the Association in the process of winding up have been paid or adequately provided for, the Board, or other person or persons appointed by the court, pursuant to subsection(4), shall distribute all the remaining assets in the manner set forth in subsection (6). If the winding up is by court proceeding or subject to court supervision, the distribution shall not be made until after the expiration of any period for the presentation of claims that have been prescribed by order of the court.

18.6 Distribution of Assets: Assets held by the Association upon a valid condition requiring return, transfer, or conveyance in accordance with the condition. the remaining assets of an Association shall be distributed as follows:

(a) If the Declaration or Bylaws provides the manner of disposition the assets shall be disposed in that manner.

(b) If the Declaration or Bylaws do not provide the manner of disposition, the assets shall be distributed among the Unit Owners in accordance with their respective rights therein, as forth in subsection (7).

18.7 Effect: Upon such termination, the Condominium Property shall be owned by the Unit Owners in the same shares as each Owner previously owned in the Common Elements, and the Condominium Property shall be subject to an action for partition by any Unit Owner or mortgagee. The net proceeds of such a partition shall be divided among all Unit Owners in proportion to their Common Interests; provided that no payment shall be made to a Unit Owner until all liens against the Unit Owner's Unit have been satisfied out of his share of the proceeds in order of their priority.

18.8 Form of Distribution: Distribution may be made either in money or in property or securities and either in installments from time to time or as a whole, if this can be done fairly and ratably and in conformity with the declaration and shall be made as soon as reasonably consistent with the beneficial liquidation of the assets.

18.9 Continuance after Termination: If the Association has been terminated, it nevertheless continues to exist for the purpose of winding up its affairs, prosecuting and defending actions by or against it, and enabling it to collect and discharge obligations, dispose of and convey its property, and collect and divide its assets, but not for the purpose of conducting its activities except so far as necessary for the winding up thereof.

18.10 Creation of New Condominium: The termination of this Condominium shall not bar the creation of another condominium affecting all or any portion of the same property.

#### 19.0 AMENDMENT OF DECLARATION; CORRECTION OF ERRORS OR OMISSIONS

19.1 Approval of Amendments: This Declaration may be amended as to all matters, except those described in Paragraphs 19.5 and 19.9 below, if the amendment is approved by at least two-thirds (2/3rds) of the Unit Owners.

19.2 Manner of Amendment: No provision of this Declaration shall be revised or amended by reference to its title or number only. Proposals to amend existing provisions of this Declaration shall contain the full text of the provision to be amended; new words shall be inserted in the text and underlined; and words to be deleted shall be lined through with hyphens. However, if the proposed change is so extensive that this procedure would hinder, rather than assist, the understanding of the proposed amendment, it is not necessary to use underlining and hyphens as indicators of words added or deleted, but, instead, a notation must be inserted immediately preceding

the proposed amendment in substantially the following language: "Substantial rewording of Declaration. See Section \_\_\_\_ for present text."

19.3 Nonmaterial Errors: Nonmaterial errors or omissions in the amendment process will not invalidate an otherwise properly promulgated amendment.

19.4 Recording of Amendments: An amendment (other than amendments made by the Developer pursuant to Sections 718.104, 718.403, and 718.504(6), (7) and (9), Florida Statutes without a vote of the Unit Owners and any rights the Developer may have in the Declaration to amend without consent of the Unit Owners which shall be limited to matters other than those described in Paragraphs 19.5 and 19.9 below) shall be evidenced by a certificate of the Association which shall include the recording data identifying the Declaration and shall be executed in the form required for the execution of a deed. An amendment by the Developer must be evidenced in writing, but a certificate of the Association is not required. An amendment of a Declaration is effective when properly recorded in the public records of the Miami-Dade County, Florida.

19.5 Material Alterations: No amendment may change the configuration or size of any Condominium Unit in any material fashion, materially alter or modify the appurtenances to the Unit, or change the proportion or percentage by which the Owner of the parcel shares the Common Expenses and owns the Common Surplus unless the record Owner of the Unit and all record Owners of liens on it join in the execution of the amendment and unless all the record Owners of all other Units approve the amendment. The acquisition of property by the Association, and material alterations or substantial additions to such property or the Common Elements by the association in accordance with Section 718.111(7) or 718.113, Florida Statutes, shall not be deemed to constitute a material alteration or modification of the appurtenances to the units. Unless required by any governmental entity, this Paragraph may not be amended by less than a majority of total voting interests.

19.6 Scrivener Errors: If it appears that through a scrivener's error a Unit has not been designated as owning an appropriate undivided share of the Common Elements or does not bear an appropriate share of the Common Expenses or that all the Common Expenses or interest in the Common Surplus or all of the Common Elements in the Condominium have not been distributed in the Declaration, so that the sum total of the shares of Common Elements which have been distributed or the sum total of the shares of the Common Expenses or ownership of Common Surplus fails to equal 100 percent, or if it appears that more than 100 percent of Common Elements or Common Expenses or ownership of the Common Surplus have been distributed, the error may be corrected by filing an amendment to the Declaration approved by the Board of Administration or a majority of the Unit Owners.

19.7 Enlargement of Common Elements: The Common Elements designated by the Declaration may be enlarged by an amendment to the Declaration. The amendment must describe the interest in the property and must submit the property to the terms of the Declaration. The amendment must be approved and executed as provided in this section. The amendment divests the Association of title to the land and vests title in the Unit Owners as part of the Common Elements, without naming them and without further conveyance, in the same proportion as the undivided shares in the Common Elements that are appurtenant to the unit owned by them.

19.8 Merger of Condominiums: The Declarations, By-laws, and Common Elements of two or more independent condominiums of a single complex may be merged to form a single condominium, upon the approval of such voting interest of each condominium as is required by the Declaration for modifying the appurtenances to the units or changing the proportion or percentages by which the Owners of the parcel share the Common Expenses and own the Common Surplus; upon the approval of all record owners of liens; and upon the recording of new or amended Articles of Incorporation, Declarations, and By-laws. The division must be notified of the merger prior to taking any action to merge the Condominium or the Association. Upon recordation of the instrument evidencing consent of all the Unit Owners to merge the Condominium, the Association shall notify the division within 30 working days of the merger and the date the document was recorded, the county where the document was recorded, and the book and page number of the public records where the document was recorded, and shall provide the division a copy of the recorded merger notice certified by the clerk.

19.9 Time-Share Estates: No amendment to the Declaration may permit time-share estates to be created in any unit of the Condominium, unless the record owner of each unit of the Condominium and the record owners of liens on each unit of the Condominium join in the execution of the amendment.

19.10 Errors and Omissions: If there is an omission or error in this Declaration of Condominium, or in any other document required by law to establish the Condominium, the Association may correct the error or omission by an amendment to this Declaration or to the other document required to create a condominium in the manner provided in the Declaration to amend the Declaration or, if none is provided, by vote of a majority of the voting interests. The amendment is effective when passed and approved and a certificate of the amendment is executed and recorded as provided in Section 718.104, Florida Statutes. This procedure for amendment cannot be used if such an amendment would materially or adversely affect property rights of Unit Owners, unless the affected Unit Owners consent in writing. This paragraph does not restrict the powers of the Association to otherwise amend the Declaration, or other documentation, but authorizes a simple process of amendment requiring a lesser vote for the purpose of curing defects, errors, or omissions when the property rights of Unit Owners are not materially or adversely affected.

19.11 Jurisdiction: If there is an omission or error in this Declaration, or any other document required to establish the Condominium, which omission or error would affect the valid existence of the Condominium, the Circuit Court has jurisdiction to entertain a petition of one or more of the Unit Owners in the Condominium, or of the Association, to correct the error or omission, and the action may be a class action. The court may require that one or more methods of correcting the error or omission be submitted to the Unit Owners to determine the most acceptable correction. All Unit Owners, the Association, and the mortgagees of a first mortgage of record must be joined as parties to the action. Service of process on Unit Owners may be by publication, but the plaintiff must furnish every unit owner not personally served with process with a copy of the petition and final decree of the court by certified mail, return receipt requested, at the Unit Owner's last known residence address. If an action to determine whether the Declaration or another condominium document complies with the mandatory requirements for the formation of a condominium is not brought within 3 years of the recording of the Declaration, the Declaration and other documents shall be effective under Chapter 718, Florida Statutes, to create a condominium, as of the date this Declaration was recorded, whether or not the documents substantially comply with the mandatory requirements of law. However, both before and after the expiration of this 3-year period, the Circuit Court has jurisdiction to entertain a petition permitted under this paragraph for the correction of the documentation, and other methods of amendment may be utilized to correct the errors or omissions at any time.

19.12 Consent and Joinder of Mortgagees: Notwithstanding any provision to the contrary contained in Section 718.110, Florida Statutes, this Declaration may not require the consent or joinder of some or all mortgagees of units to or in amendments to the Declaration, unless the requirement is limited to amendments materially affecting the rights or interests of the mortgagees, or as otherwise required by the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation, and unless the requirement provides that such consent may not be unreasonably withheld. It shall be presumed that, except as to those matters described in Paragraphs 19.5 and 19.9 above, amendments to the Declaration do not materially affect the rights or interests of mortgagees. Amendments of material nature shall require at least 51% of the votes of eligible mortgage holders. In the event mortgagee consent is provided other than by properly recorded joinder, such consent shall be evidenced by affidavit of the association recorded in the Public Records of Miami-Dade County, Florida.

## 20.0 ADDITIONAL RIGHTS OF MORTGAGEES.

#### 21.0 MISCELLANEOUS PROVISIONS

21.1 Covenants Running with the Land: The restrictions and burden imposed by this Declaration shall constitute covenants running with the land, and shall constitute an equitable servitude upon each Unit. This Declaration shall be binding upon Developer and all parties who become Unit Owners in the Condominium, and their respective heirs, legal representatives, successors and assigns.

21.2 Limitation on Warranties and Representations: Other than as set forth in Section 718.618, Florida Statutes, Developer specifically disclaims any intent to have made any warranty or representation in connection with the Condominium Property or the Condominium documents, except as specifically set forth therein, and no person shall rely upon any warranty or representation not so specifically made therein. No representative of Developer serving on the Board shall be required to disqualify himself from voting upon any management contract, lease, or other matter involving Developer or a management company where Developer has a pecuniary interest in management company. As a Unit Owner, Developer shall not be required to disqualify itself from voting in any matter which may come before the membership of the Association, nor shall any alleged conflict of interest be a cause of partial or total invalidity of the matter voted upon, whether or not Developer's vote(s) was necessary for the adoption, ratification or execution of the same.

21.4 Governing Law: Should any dispute or litigation arise between any of the parties whose rights or duties are affected or determined by this Declaration, the exhibits annexed hereto or the rules and regulations, such dispute or litigation shall be governed by the laws of the State of Florida and all litigation shall originate in the appropriate court in Miami-Dade County, Florida.

21.5 No Waiver: No provisions contained in this Declaration shall be deemed to have been waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches which may occur.

21.6 Ratification: Each Unit Owner, by reason of having acquired ownership (whether by purchase, gift, operation of law, or otherwise) shall be deemed to have agreed that all the provisions of this Declaration, and the exhibits attached hereto, as they maybe amended, are fair and reasonable in all material respects.

21.7 Severability: In the event that any of the terms, provisions or covenants of this Declaration are held to be invalid or unenforceable for any reason whatsoever, such holding shall not affect, alter, modify or impair in any manner any of the other terms, provisions or covenants hereof or the remaining portions of any terms, provisions or covenants.

21.8 Interpretation of Content: Whenever the context so requires, the use of any gender shall be deemed to include all genders, and the use of the singular shall include the plural, and plural shall include the singular. The provisions of this Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the operation of the Condominium.

21.9 Captions: The captions in this Declaration and exhibits annexed hereto are inserted solely as a matter of convenience and shall not be used in construing the effect of meaning of any of the text of this Declaration or exhibits.

Proof of such mailing or personal delivery by the Association shall be given by the affidavit of the person mailing or delivering said notices. Notices to the Association shall be sent by certified mail, return receipt requested, to the office of the Association as may be designated from time to time. All notices shall be deemed given when mailed. Any party may change his mailing address by written notice duly receipted for. Notices required to be given to the personal representative of a deceased owner, or devisee when there is no a personal representative, may be delivered either personally or by mail to such party at his or its address appearing in the records of the court wherein the estate of such deceased owner is being administered.

**ARTICLE II- MEMBERS**

**A. In General:**

The requirements and procedures for admission, voting and termination of membership set forth in the Articles of Incorporation are incorporated herein by reference.

B. Voting:

(1) Number of Votes: In any meeting of members, the members shall be entitled to cast one voting interest ("vote") for each Unit owned. The vote of a Unit shall not be divisible. Should two or more Units be used by a single owner as one dwelling Unit, by combining the same in a manner approved by the Board or as otherwise provided in the Declaration, such use shall not in any manner affect or destroy the separateness of such Units for voting purposes.

(2) Majority Vote: The acts approved by a majority of the votes at a meeting at which a quorum shall be present, shall be binding upon all members for all purposes except where otherwise provided by law, the Declaration, the Articles or these By-Laws. The terms "majority of the members" or "majority of the Voting Interests" shall mean those members having more than fifty percent (50%) of the total authorized votes of all members voting at any meeting of the members at which a quorum shall be present.

(3) Designation of Voting Member: If a Unit is owned by more than one person, or is under lease, the person entitled to cast the vote for the Unit shall be designated by a Voting Certificate signed by all of the record owners of that Unit according to the roster of members and filed with the Secretary of the Association. If a Unit is owned by a corporation, the person entitled to cast the vote for the Unit shall be designated by a Voting Certificate signed by the president or vice president and attested by the secretary or assistant secretary of the corporation and filed with the secretary of the Association. The person so designated to cast the vote of the Unit shall be known as the "voting member." If such a Voting Certificate is not on file with the secretary for a Unit owned by more than one person or one business entity, the vote of the Unit concerned shall not be considered in determining the requirement for a quorum, or for any purpose requiring the approval of a person entitled to cast the vote for the Unit, except to such Unit as owned by a husband and wife. Such Voting Certificate shall be valid until revoked or superseded by a subsequent Voting Certificate, or until a change in the ownership of the Unit concerned.

A husband and wife owning a Unit jointly shall have the following options:

- (a) They may designate a voting member.
- (b) If they do not designate a voting member and both are present at a meeting and are unable to concur in their decision upon any subject requiring a vote, they shall lose their right to vote on that subject at that meeting.
- (c) If they do not designate a voting member and only one is present at a meeting, the spouse who is present may cast the Unit vote without establishing the concurrence of the absent spouse.
- (d) If both spouses are present at a meeting and concur, either one may cast the Unit vote.

4. Quorum of Members; Voting Requirements; Proxies:

(a) Members holding the voting interests of at least thirty-five percent (35%) of the Units shall constitute a quorum. ### ARTICLE III - MEETINGS

#### A. Unit Owner Meetings:

(1) Generally: There shall be an annual meeting of the Unit Owners. A vacancy on the Board of Administration caused by the expiration of a director's term shall be filled by electing a new Board member, and the election shall be by closed ballot; however, if there is only one candidate for election to fill the vacancy, no election is required. The terms of all members of the Board of Administration shall expire upon the election of their successors at the annual meeting. Any Unit Owner desiring to be a candidate for Board membership shall comply with Section C of Article IV of these By-laws.

(2) Limitation of Membership: Except as otherwise provided, membership in the Association shall be limited to the Unit Owners or co-owners. In the event that a member shall lease or permit another to occupy his Unit, the tenant or occupant shall not vote in the affairs of the Association except as the member shall permit the tenant or occupant to exercise the proxy vote of the member. Every transfer of title to the member's Unit, in accordance with the Declaration and the Condominium Act, shall include membership in the Association, and upon making such transfer, the previous Owner's membership shall terminate automatically. Except as herein provided, membership in the Association may not be assigned or transferred and any attempted assignment or transfer thereof shall be void and of no effect.

(3) Notices and Place of Meetings: The By-laws shall provide the method of calling meetings of Unit Owners, including annual meetings. Written notice, which notice must include an agenda, shall be mailed or delivered to each Unit Owner at least fourteen (14) days prior to the annual meeting and shall be posted in a conspicuous place on the Condominium Property at least fourteen (14) continuous days preceding the annual meeting. Upon notice to the Unit Owners, the Board shall by duly adopted rule designate a specific location on the Condominium Property or Association property upon which all notices of Unit Owner meetings shall be posted; however, if there is no Condominium Property or Association property upon which notices can be posted, this requirement does not apply. Unless a Unit Owner waives in writing the right to receive notice of the annual meeting by mail, the notice of the annual meeting shall be sent by mail to each Unit Owner. Where a Unit is owned by more than one person, the Association shall provide notice, for meetings and all other purposes, to that one address which the Developer initially identifies for that purpose and thereafter as one or more of the Owners of the Unit shall so advise the Association in writing, or if no address is given or the Owners of the Unit do not agree, to the address provided on the deed of record. An officer of the Association, or the manager or other person providing notice of the Association meeting, shall provide an affidavit or United States Postal Service certificate of mailing, to be included in the official records of the Association affirming that the notice was mailed or hand delivered, in accordance with this subparagraph, to each Unit Owner at the address last furnished to the Association.

(4) Date of Annual Meetings of Members: The annual members' meeting shall be held on the date, at the place and at the time determined by the Board of Directors from time to time, provided that there shall be an annual meeting every calendar year and, to the extent possible, no later than thirteen (13) months after the last preceding annual meeting. The purpose of the meeting shall be to elect Administrators and to transact any other business which properly comes before the meeting.

(5) Special Meetings of Members: Special meetings of the members shall be held whenever called by the president or by a majority of the Board. A special meeting must be called by the president if a majority of the members file a written request with the secretary. The business conducted at a special meeting shall be limited to that stated in the notice of the meeting.

(6) Location of Meetings of Members: All annual and special meetings shall be held at the principal office of the Association or at such other suitable and convenient place as may from time to time be fixed by the Board and designated in the notices of such meetings.

(7) Meetings Open to Members:

(a) All meetings of the Board, whether regular or special, shall be open to members. Adequate notice of all meetings shall be posted conspicuously on the Condominium Property at least forty-eight (48) continuous hours in advance of each meeting, except in an emergency. Notice of any meeting in which assessments against members are to be considered for any reason shall specifically contain a statement that assessments will be considered and the nature of any such assessments.

(b) Meetings of the Board of Administration at which a quorum of the members is present shall be open to all Unit Owners. Any Unit Owner may tape record or videotape meetings of the Board of Administration. The right to attend such meetings includes the right to speak at such meetings (after the meeting's agenda has been completed) with reference to all designated agenda items. The Department of Business and Professional Regulation, Division of Florida Land Sales, Condominiums and Mobile Homes shall adopt reasonable rules governing the tape recording and videotaping of the meeting. The Association may adopt reasonable rules governing the frequency, duration, and manner of Unit Owner statements. Adequate notice of all meetings, which notice shall specifically incorporate an identification of agenda items, shall be posted conspicuously on the Condominium Property at least forty-eight (48) continuous hours preceding the meeting except in an emergency. Any item not included on the notice may be taken up on an emergency basis by at least a majority plus one of the members of the Board. Such emergency action shall be noticed and ratified at the next regular meeting of the Board. However, written notice of any meeting at which non-emergency Special Assessments, or at which amendment to Rules regarding Unit use will be considered shall be mailed or delivered to the Unit Owners and posted conspicuously on the Condominium Property not less than fourteen (14) days prior to the meeting. Evidence of compliance with this 14-day notice shall be made by an affidavit executed by the person providing the notice and filed among the official records of the Association. Upon notice to the Unit Owners, the Board shall by duly adopted rule designate a specific location on the Condominium Property or Association property upon which all notices of Board meetings shall be posted. If there is no Condominium Property or Association property upon which notices can be posted, notices of Board Meetings shall be mailed or delivered at least fourteen (14) days before the meeting to the Owner of each Unit. Notice of any meeting in which regular Assessments against Unit Owners are to be considered for any reason shall specifically contain a statement that Assessments will be considered and the nature of any such Assessments. Meetings of a committee to take final action on behalf of the Board or make recommendations to the Board regarding the Association budget are subject to the provisions of this paragraph. Meetings of a committee that does not take final action on behalf of the Board or make recommendations to the Board regarding the Association budget are subject to the provisions of this section by the Bylaws of the Association.

(8) Conduct of Annual Meetings: The president, or in his absence, the vice president, shall preside at all meetings; in the absence of both of them, the presiding officer shall be the officer designated by the Board. B. Board of Administration Meetings:

(1) Organizational Meeting: The organizational meeting of a newly elected Board shall be held within ten (10) days of their election at such time and at such place as shall be fixed at the meeting at which they were elected. Notice of the organizational meeting shall be given to each Administrator personally or by mail, telephone or telegram, at least three (3) days prior to the day specified for such meeting.

(4) Waiver of Notice of Board Meetings: Any Administrator may waive notice of a meeting and such waiver shall be deemed equivalent to the receipt of notice by each such Administrator. Attendance by an Administrator at a meeting shall constitute a waiver of notice of such meeting, except when his attendance is for the express purpose of objecting at the beginning of the meeting to the transaction of business because the meeting is not lawfully called.

(5) Quorum at Board Meetings: A quorum at a Board meeting shall consist of the Administrators entitled to cast a majority of the votes of the entire Board. Matters approved by a majority of the votes present at a meeting in which a quorum is present shall constitute acts of the Board, except as specifically provided otherwise in the Articles of Incorporation, these By-Laws or the Declaration. If any meeting cannot be organized because a quorum has not attended, the Administrators who are present shall adjourn the meeting and the re-scheduled meeting may be held after it is properly noticed in accordance with Section 718.112(2)(c) and Rule 61B-23.001 F.A.C. At any adjourned meeting, business which might have been transacted at the meeting as originally called may be transacted. Administrators may submit in writing his or her agreement or disagreement with any action taken at a meeting that the administrator did not attend, but such agreement or disagreement may not be used as a vote for or against the action taken and may not be used for the purposes of creating a quorum.

(6) Conduct of Board Meetings: The Chairman of the Board, if one has been elected, shall preside over all Board meetings; otherwise the president shall preside. In the absence of the presiding officer, the Administrators present shall designate one of their number to preside. The order of business at Board meetings shall be:

(2) If a board adopts in any fiscal year an annual budget which requires assessments against Unit Owners which exceed one hundred fifteen percent (115%) of Assessments for the preceding fiscal year, the board shall conduct a special meeting of the Unit Owners to consider a

substitute budget if the Board receives, within 21 days after adoption of the annual budget, a written request for a special meeting from at least ten percent (10%) of all voting interests. The special meeting shall be conducted within 60 days after adoption of the annual budget. At least 14 days prior to such special meeting, the Board shall hand deliver to each Unit Owner, or mail to each Unit Owner at the address last furnished to the association, a notice of the meeting. An officer or manager of the association, or other person providing notice of such meeting shall execute an affidavit evidencing compliance with this notice requirement, and such affidavit shall be filed among the official records of the association.

(3) At the special meeting, Unit Owners shall consider and adopt a substitute budget. The adoption of said budget shall require a vote of Owners of not less than a majority of all the Units (including Units owned by the Developer). If a meeting of the Unit Owners has been called as aforesaid and a quorum is not obtained or a substitute budget has not been adopted by the Unit Owners, the budget adopted by the Board shall take effect as scheduled.

(4) In determining whether assessments exceed 115 percent of similar assessments in prior years, any authorized provisions for reasonable reserves for repair or replacement of the Condominium Property, anticipated expenses by the Condominium Association which are not anticipated to be incurred on a regular or annual basis, or Assessments for betterments to the Condominium Property must be excluded from the computation. However, as long as the Developer is in control of the Board of Administration, the Board may not impose an assessment for any year greater than 115 percent of the prior fiscal or calendar year's assessment without approval of a majority of all the voting interests.

#### ARTICLE IV - BOARD OF ADMINISTRATION

##### A. Authority and Composition:

The affairs of the Association shall be governed by a Board of Administration consisting of three (3) persons, at least two (2) of whom shall be members of the Association.

##### B. Representation:

(1) When Unit Owners other than the Developer own fifteen percent (15%) or more of the Units in the Condominium being operated by the Association, the Unit Owners other than the Developer shall be entitled to elect no less than one-third of the members of the Board of Administration of the Association. Unit Owners other than the Developer are entitled to elect not less than a majority of the members of the Board of Administration of an Association upon the following:

- (a) Three (3) years after fifty percent (50%) of the Units which are operated by the Association have been conveyed to purchasers;
- (b) Three (3) months after ninety percent (90%) of the Units being operated by the Association have been conveyed to purchasers;
- (c) When all the Units being operated by the Association have been completed, some of them have been conveyed to purchasers, and none of the others are being offered for sale by the Developer in the ordinary course of business;
- (d) When some of the Units have been conveyed to purchasers and none of the others are being constructed or offered for sale by the Developer in the ordinary course of business; or
- (e) Seven (7) years after recordation of this Declaration; or, in the case of the Association operating more than one condominium, seven (7) years after

recordation of the Declaration for the first condominium it operates; or, in the case of the Association operating a phase condominium created pursuant to Section 718.403, Florida Statutes, seven (7) years after recordation of the Declaration creating the initial phase, whichever occurs first. The Developer is entitled to elect at least one member of the Board of Administration of an Association as long as the Developer holds for sale in the ordinary course of business at least five (5) percent, in condominiums with fewer than five (500) Units, and two percent (2%), in condominiums with more than five (500) Units, of the Units in a condominium operated by the Association. Following the time the Developer relinquishes control of the Association, the Developer may exercise the right to vote any developer-owned Units in the same manner as any other Unit Owner except for purposes of reacquiring control of the Association or selecting the majority members of the Board of Administration.

(2) Within seventy-five (75) days after the Unit Owners other than the Developer are entitled to elect a member or members of the Board of Administration of the Association, the Association shall call, and give not less than sixty (60) days' notice of an election for the members of the Board of Administration. The election shall proceed as provided in Section 718.112(2)(d), Florida Statutes. The notice may be given by any Unit Owner if the Association fails to do so. Upon election of the first Unit Owner other than the Developer to the Board of Administration, the Developer shall forward to the Department of Business and Professional Regulation, The Northwood Center, 1940 North Monroe Street, Tallahassee, Florida 32399-1033 the name and mailing address of the Unit Owner Board Member.

C. Election Procedures, Generally:

All Administrators not chosen by Developer shall be elected at the annual meeting of the members of the Association immediately following Developer's election of Administrators. Member-elected Administrators shall be elected in the following manner:

(1) The members of the Board of Administration shall be elected by written ballot or voting machine. Proxies may not be used in electing the Board of Administration, either in general elections or elections to fill vacancies caused by recall, resignation, or otherwise.

(2) Not less than sixty (60) days before a scheduled election, the Association shall mail or deliver, whether by separate Association mailing or included in another Association mailing or delivery including regularly published newsletters, to each Unit Owner entitled to vote, a first notice of the date of the election.

(3) Any Unit Owner or other eligible person desiring to be a candidate for the Board of Administration must give written notice to the Association not less than forty (40) days before a scheduled election.

(4) Together with the written notice and agenda as set forth in subparagraph 2, the Association shall mail or deliver a second notice of the election to all Unit Owners entitled to vote therein, together with a ballot which shall list all candidates. Upon request of a candidate, the Association shall include an information sheet, no larger than 8-1/2 inches by 11 inches, which must be furnished by the candidate not less than thirty-five (35) days before the election, to be included with the mailing of the ballot, with the costs of mailing or delivery and copying to be borne by the Association. However, the Association has no liability for the contents of the information sheets prepared by the candidates. In order to reduce costs, the Association may print or duplicate the information sheets on both sides of the paper.

(5) The Florida Department of Business and Professional Regulation, The Northwood Center, 1940 North Monroe Street, Tallahassee, Florida 32399-1033, shall by rule establish voting procedures consistent with the provisions contained herein, including rules establishing procedures

for giving notice by electronic transmission and rules providing for the secrecy of ballots. Elections shall be decided by a plurality of those ballots cast. There shall be no quorum requirement; however, at least twenty (20) percent of the eligible voters must cast a ballot in order to have a valid election of members of the Board of Administration. No Unit Owner shall permit any other person to vote his ballot, and any such ballots improperly cast shall be deemed invalid. A Unit Owner who needs assistance in casting the ballot for the reasons stated in Section 101.051, Florida Statutes, may obtain assistance in casting the ballot. Any Unit Owner violating this provision may be fined by the Association in accordance with Section 718.303, Florida Statutes. The regular election shall occur on the date of the annual meeting. Notwithstanding the provisions of this subparagraph, an election is not required unless more candidates file notices of intent to run than vacancies exist on the Board.

(6) Any approval by Unit Owners called for by Chapter 718, Florida Statutes or the applicable Declaration or By-laws, including, but not limited to, the approval requirement in Section 718.111(8), Florida Statutes, shall be made at a duly noticed meeting of Unit Owners and shall be subject to all requirements of Chapter 718, Florida Statutes, or the applicable condominium documents relating to Unit Owner decision making, except that Unit Owners may take action by written agreement, without meetings, on matters for which action by written agreement without meetings is expressly allowed by the applicable By-laws or declaration or any statute which provides for such action.

(7) Unit Owners may waive notice of specific meetings if allowed by the applicable By-laws or Declaration or any statute.

(8) Unit Owners shall have the right to participate in meetings of Unit Owners with reference to all designated agenda items. However, the Association may adopt reasonable rules governing the frequency, duration, and manner of Unit Owner participation.

(9) Any Unit Owner may tape record or videotape a meeting of the Unit Owners subject to reasonable rules adopted by the Florida Department of Business and Professional Regulation, Division of Land Sales, Condominiums and Mobile Homes.

(10) Notwithstanding the provisions of subsection B(4) of Article II hereof and Section C of this Article, the Association may, by the affirmative vote of a majority of the voting interests, provide for different voting and election procedures in its By-laws, which vote may be by a proxy specifically delineating the different voting and election procedures; provided, however, no additional Units are added to the Condominium Property. The different voting and election procedures may provide for elections to be conducted by limited or general proxy.

D. Vacancies:

Vacancies in the Board may be filled, until the date of the next annual meeting, by selections by the remaining Administrators except that should any vacancy in the Board be created in any position previously filled by a person elected by Developer, such vacancy shall be filled by Developer electing by vote, in person or by limited proxy.

E. Term of Office:

The term of office of each Administrator, whether elected by Developer or by the membership, shall be for one (1) year, expiring at the next annual meeting of the membership, or when successors are duly elected and qualified, or any shorter period in the event of removal in the manner provided herein or by law.

F. Recall of Board Members:

(1) Subject to the provisions of Section 718.301, Florida Statutes, any member of the Board of Administration may be recalled and removed from office with or without cause by the vote

or agreement in writing by a majority of all the voting interests. A special meeting of the Unit Owners to recall a member or members of the Board of Administration may be called by ten (10) percent of the voting interests giving notice of the meeting as required for a meeting of Unit Owners, and the notice shall state the purpose of the meeting.

(2) If the recall is approved by a majority of all voting interests by a vote at a meeting, the recall will be effective as provided. The Board shall duly notice and hold a Board meeting within 5 full business days of the adjournment of the Unit Owner meeting to recall one or more Board members. At the meeting, the Board shall either certify the recall, in which case such member or members shall be recalled effective immediately and shall turn over to the Board within 5 full business days any and all records and property of the Association in their possession, or shall proceed as set forth in subparagraph 4.

(3) If the proposed recall is by an agreement in writing by a majority of all voting interests, the agreement in writing or a copy thereof shall be served on the Association by certified mail or by personal service in the manner authorized by Chapter 48 and the Florida Rules of Civil Procedure. The Board of Administration shall duly notice and hold a meeting of the Board within 5 full business days after receipt of the agreement in writing. At the meeting, the Board shall either certify the written agreement to recall a member or members of the Board, in which case such member or members shall be recalled effective immediately and shall turn over to the Board within 5 full business days any and all records and property of the Association in their possession, or proceed as described hereinabove.

(4) If the Board determines not to certify the written agreement to recall a member or members of the Board, or does not certify the recall by a vote at a meeting is disputed, the Board shall, within five full business days after the meeting, file with the Department of Business and Professional Regulation, Division of Florida Land Sales, Condominiums and Mobile Homes a petition for arbitration pursuant to the procedures in Section 718.1255, Florida Statutes. For the purposes of this section, the Unit Owners who voted at the meeting or who executed the agreement in writing shall constitute one party under the petition for arbitration. If the arbitrator certifies the recall as to any member or members of the Board, the recall will be effective upon mailing of the final order of arbitration to the Association. If the Association fails to comply with the order of the arbitrator, the Florida Department of Business and Professional Regulation, Division of Land Sales, Condominiums and Mobile Homes, may take action pursuant to Section 718.501, Florida Statutes. Any member or members so recalled shall deliver to the Board any and all records of the Association in their possession within 5 full business days of the effective date of the recall.

(5) If the Board fails to duly notice and hold a Board meeting within 5 full business days of service of an agreement in writing or with 5 full business days of the adjournment of the Unit Owner recall meeting, the recall shall be deemed effective and the Board members so recalled shall immediately turn over to the Board any and all records and property of the Association.

(6) If a vacancy occurs on the Board as a result of a recall and less than a majority of the Board Members are removed, the vacancy may be filled by the affirmative vote of a majority of the remaining directors, notwithstanding any provision to the contrary contained in this subsection. If vacancies occur on the Board as a result of a recall and a majority or more of the Board Members are removed, the vacancies shall be filled in accordance with procedural rules to be adopted by the Florida Department of Business and Professional Regulation, Division of Land Sales, Condominiums and Mobile Homes, which rules need not be consistent with this subsection. The rules must provide procedures governing the conduct of the recall election as well as the operation of the Association during the period after a recall but prior to the recall election.

G. Compensation:

Neither Directors nor officers shall receive compensation for their services as such, but this provision shall not preclude the Board of Directors from employing a Director or officer as an

employee of the Association, nor preclude contracting with a Director or officer for the management of the Condominium or for any other service to be supplied by such Director or officer. Directors and officers shall be compensated for all actual and proper out of pocket expenses relating to the proper discharge of their respective duties.

H. Powers and Duties:

All of the powers and duties of the Association shall be exercised by the Board, including those existing under the common law and statutes, the Articles of Incorporation of the Association, these By-Laws and the Declaration. Such powers and duties shall include the following:

1. To determine, make, levy and collect assessments from members, to defray the costs of the Condominium, and to use the proceeds of such assessments in the exercise of the powers and duties granted to the Association;
2. To maintain, repair, replace, operate and manage the Condominium and the Condominium Property wherever the same is required to be done and accomplished by the Association for the benefit of its members;
3. To reconstruct improvements after any casualty, and to further improve the property, real and personal;
4. To make, amend and enforce regulations governing the use of the property, real and personal, in the Condominium, so long as such regulations or amendments thereto do not conflict with the restrictions and limitations placed upon the use of such property under the terms of the Articles of Incorporation and the Declaration;
5. To maintain bank accounts for the Association,
6. To purchase, sell, lease or otherwise acquire or convey Units the name of the Association or its designee(s);
7. To obtain and review insurance for the Association;
8. To acquire and enter into leases and agreements of every nature, whereby the Association acquires leaseholds, memberships and other possessory or use interests in lands or facilities, including recreational and communal facilities, whether or not contiguous to the lands of the Condominium, to provide enjoyment, recreation, or other use or benefit to the members, or as may be deemed by the Board to be in the best interests of the Association, and further including any and all contracts with Developer and/or its successors in interest furnishing services to the Condominium and its members for compensation, subject to such conditions and limitations as the Association and Developer shall deem appropriate.
9. When a Unit Owner files a written inquiry by certified mail with the Board of Administration, the Board shall respond in writing to the Unit Owner within thirty (30) days of receipt of the inquiry. The Board's response shall either give a substantive response to the inquirer, notify the inquirer that a legal opinion has been requested, or notify the inquirer that advice has been requested from the Florida Department of Business and Professional Regulation, Division of Land Sales Condominiums and Mobile Homes. If the Board requests advice from the division, the Board shall, within 10 days of its receipt of the advice, provide in writing a substantive response to the inquirer. If a legal opinion is requested, the Board shall, within 60 days after the receipt of the inquirer, provide in writing a substantive response to the inquirer. The failure to provide a substantive response

to the inquirer as provided herein precludes the Board from recovering attorney's fees and costs in any subsequent litigation, administrative proceeding, or arbitration arising out of the inquiry.

I. First Board of Administrators:

The first Board shall be comprised of three (3) persons designated to act and serve as Administrators in the Articles of Incorporation, who shall serve until their successors are elected at the first annual meeting of the members of the Association called after the Declaration has been duly recorded. The undertakings and contracts authorized by the first Board shall be binding upon the Association in the same manner as though such had been authorized by the first duly elected Board, so long as such undertakings and contracts are within the scope, powers and duties which may be exercised by the Board in accordance with all applicable Condominium documents. Should any member of the first Board be unable to serve for any reason, the remaining members of the Board shall have the right to designate a party to act and serve, as Administrator for the unexpired term of the Administrator unable to serve. Notwithstanding, the foregoing, should any vacancy in the Board be created in any position previously filled by a person elected by Developer, such vacancy shall be filled by the Developer as authorized by Rule 61B-23.0026(1), Florida Administrative Code.

The fiscal year shall be the calendar year.

C. Annual Budget:

(1) The proposed annual budget of Common Expenses shall be detailed and shall show the amounts budgeted by accounts and expense classifications, including, if applicable, but not limited to, those expenses listed in Section 718.504(21), Florida Statutes. In addition, if the Association maintains Limited Common Elements with the cost to be shared only by those entitled to use the Limited Common Elements as provided for in Section 718.113(1), Florida Statutes, the budget or a schedule attached thereto shall show amounts budgeted therefor.

(2) In addition to annual operating expenses, the budget shall include reserve accounts for capital expenditures and deferred maintenance. These accounts shall include, but are not limited to, roof replacement, building painting, and pavement resurfacing, regardless of the amount of deferred maintenance expense or replacement cost, and for any other item for which the deferred maintenance expense or replacement cost exceeds \$10,000. The amount to be reserved shall be computed by means of a formula which is based upon estimated remaining useful life and estimated replacement cost or deferred maintenance expense of each reserve item. The Association may adjust replacement reserve assessments annually to take into account any changes in estimates or extension

of the useful life of a reserve item caused by deferred maintenance. This subsection does not apply to budgets in which the members of the Association have, by a majority vote at a duly called meeting of the Association, determine for a fiscal year to provide no reserves or reserves less adequate than required by this subsection. However, prior to turnover of control of the Association by the Developer to Unit Owners other than the Developer pursuant to Section 718.301, Florida Statutes, the Developer may vote to waive the reserves or reduce the funding of reserves for the first two fiscal years of the operation of the Association, beginning with the year in which the Declaration of Condominium is recorded, after which time reserves may only be waived or reduced upon the vote of a majority of all non-developer voting interests voting in person or by limited proxy at a duly called meeting of the Association. If a meeting of the Unit Owners has been called to determine to provide no reserves or reserves less adequate than required, and such result is not attained or a quorum is not attained, the reserves as included in the budget shall go into effect.

(3) Reserve funds and any interest accruing thereon shall remain in the reserve account or accounts, and shall be used only for authorized reserve expenditures, unless their use for other purposes is approved in advance by a vote of the majority of the voting interests, voting in person or by limited proxy at a duly called meeting of the Association. Prior to turnover of control of the Association by the Developer to Unit Owners other than the Developer pursuant to Florida Statute 718.301, the Developer controlled association shall not vote to use reserves for purposes other than that for which they were intended without the approval of a majority of all non-developer voting interests, voting in person or by limited proxy at a duly called meeting of the Association.

D. Transfer Fees:

No charge shall be made by the Association or any body thereof in connection with the sale, mortgage, lease, sublease, or other transfer of a Unit unless the Association is required to approve such transfer and a fee for such approval is provided for in the Declaration, Articles, or By-laws. Any such fee may be preset, but in no event may such fee exceed \$100 per applicant other than husband/wife or parent/dependent child, which are considered one applicant. However, if the lease or sublease is a renewal of a lease or sublease with the same lessee or sublessee, no charge shall be made. The foregoing notwithstanding, an Association may, if the authority to do so appears in the Declaration or By-laws, require that a prospective lessee place a security deposit, in an amount not to exceed the equivalent of one (1) month's rent, into an escrow account maintained by the Association. The security deposit shall protect against damages to the Common Elements or Association property. Payment of interest, claims against the deposit, refunds, and disputes under this paragraph shall be handled in the same fashion as provided in Part II of Chapter 83, Florida Statutes.

E. Reviews:

Within 90 days after the end of the fiscal year or annually on such date as provided in these Bylaws through an amendment or otherwise, the Association shall prepare and complete, or cause to be prepared and completed by a third party, a financial report for the preceding fiscal year. If the Board so designates, such review shall be made by a certified public accountant. Within twenty one (21) days after the financial report is completed or received by the Association from the third party, the Association shall mail to each unit owner at the address last furnished to the Association by the unit owner, or hand deliver to each unit owner, a copy of the financial report or a notice that a copy of the financial report will be mailed or hand delivered to the unit owner, without charge, upon receipt of a written request from the unit owner. The financial report referenced in this provision shall be an audited financial statement in accordance with Section 718.111(13)(a), Florida Statutes.

F. Assessments:

Assessments against the members for their share of the items of the budget shall be made for the calendar year annually in advance on or before January 1st, preceding the year for which the assessments are made. Such assessments shall be due in equal monthly installments, payable in

advance on the first day of each month of the applicable year. If an annual assessment is not made as required, an assessment shall be presumed to have been made in the amount of the last prior assessment, and monthly installments on such assessments shall be due upon each installment date until changed by an amended assessment. In the event the annual assessment proves to be insufficient, the budget and assessments may be amended at any time by the Board, unless otherwise provided by applicable Florida Statutes. Charges by the Association against members for other than Common Expenses shall be paid in such manner as the Board may require, provided that such charges are issued separately than assessments for Common Expenses. Assessments for Common Expenses or emergencies that cannot be paid from the annual assessment shall be due only after thirty (30) days' notice is given to the members concerned, and shall be paid in such manner as the Board may require.

If a member shall be in default in the payment of an installment upon an assessment, the Board may elect to accelerate the remaining installments of the assessments on the date the Claim of Lien is filed. Such accelerate assessments shall include the amounts due for the remainder of the budget year.

G. Fidelity Bonds:

The Association shall obtain and maintain adequate fidelity bonding of all persons who control or disburse funds of the Association. As used herein, the term "persons who control or disburse funds of the Association" means those individuals authorized to sign checks, and the president, secretary, and treasurer of the Association. The amount of the fidelity bond shall cover the an amount no less than the maximum funds that will be in the custody of the Association or management agent at any one time. The Association shall bear the cost of bonding.

H. Certificate of Compliance:

There shall be a provision that a certificate of compliance from a licensed electrical contractor or electrician may be accepted by the Association's Board as evidence of compliance of the Condominium Units to the applicable fire and life safety code.

ARTICLE VII - INDEMNIFICATION OF ADMINISTRATORS AND OFFICERS

Every Administrator and every officer shall be indemnified by the Association against all expenses and liabilities, including counsel fees, reasonably incurred by or imposed upon him in connection with any proceedings to which he may be a party, or in which he may become involved by reason of his being or having been an officer or Administrator, or any settlement thereof, whether or not he is an Administrator or officer at the time of incurring such expenses or liabilities, except in such cases wherein the Administrator or officer is adjudged guilty of willful misfeasance or malfeasance in the performance of his duties, provided that in the event of a settlement, the indemnification shall apply only when the Board approves such settlement and reimbursement as being in the best interest of the Association. The foregoing right of indemnification shall be in addition to all other rights to which such officer or Administrator may be entitled.

ARTICLE VIII - PARLIAMENTARY RULES

Robert's Rules of Order (latest edition) shall govern the conduct of corporate proceedings when not in conflict with the Articles of Incorporation and these By-Laws or with the laws of the State of Florida.

ARTICLE IX - RULES AND REGULATIONS

Annexed hereto and made a part hereof are rules and regulations concerning the use of the Condominium. The Board may from time to time modify, amend or add to such rules and regulations, except that Owners of a majority of the Units present and voting at a meeting at which

a quorum is present may overrule the Board with respect to any such modification, amendment or addition. Copies of such modified, amended or additional rules and regulations shall be furnished by the Board to each member at least thirty (30) days prior to the effective date hereof.

#### ARTICLE X - MANDATORY NONBINDING ARBITRATION

Prior to the institution of court litigation, the parties to a Dispute shall petition the Division for nonbinding arbitration. The arbitration shall be conducted according to rules promulgated by the Division and before arbitrators employed by the Division. The filing of a petition for arbitration shall toll the applicable statute of limitation for the applicable Dispute, until the arbitration proceedings are completed. Any arbitration decision shall be presented to the parties in writing, and shall be deemed final if a complaint for trial de novo is not filed in a court of competent jurisdiction in which the Condominium is located within thirty (30) days following the issuance of the arbitration decision. The prevailing party in the arbitration proceeding shall be awarded the costs of the arbitration, and attorneys' fees and costs incurred in connection with the proceedings. The party who files a complaint for a trial de novo shall be charged the other party's arbitration costs, courts costs and other reasonable costs, including, without limitation, attorneys' fees, investigation expenses and expenses for expert or other testimony or evidence incurred after the arbitration decision, if the judgment upon the trial de novo is not more favorable than the arbitration decision. If the judgment is more favorable, the party who filed a complaint for trial de novo shall be awarded reasonable court costs and attorneys' fees. Any party to an arbitration proceeding may enforce an arbitration award by filing a petition in a court of competent jurisdiction in which the Condominium is located. A petition may not be granted unless the time for appeal by the filing of a complaint for a trial de novo has expired. If a complaint for a trial de novo has been filed, a petition may not be granted with respect to an arbitration award that has been stayed. If the petition is granted, the petitioner may recover reasonable attorneys' fees and costs incurred in enforcing the arbitration award.

#### ARTICLE XI - AMENDMENTS

(2) Text of Amendment: No bylaw shall be revised or amended by reference to its title or number only. Proposals to amend existing By-laws shall contain the full text of the By-laws to be amended; new words shall be inserted in the text underlined, and words to be deleted shall be lined through with hyphens. However, if the proposed change is so extensive that this procedure would hinder, rather than assist, the understanding of the proposed amendment, it is not necessary to use underlining and hyphens as indicators of words added or deleted, but, instead, a notation must be inserted immediately preceding the proposed amendment in substantially the following language: "Substantial rewording of By-law \_\_\_\_ for present text."

(3) Non-Material Errors: Non-material errors or omissions in the amendment process shall not invalidate an otherwise properly promulgated amendment.

(4) Notices; Special Meeting to Amend By-law: Such proposed amendment(s) shall be transmitted to the president (or other officer in the absence of the president) who shall thereupon call a special joint meeting of the Board and the membership for a date not sooner than twenty (20) days nor later than sixty (60) days from receipt of such officer of the proposed amendment(s). The secretary shall give to each member written notice of such meeting in the same form and in the same manner as notice of the call of a special meeting of the members is required as herein set forth.

(5) Approval and Recordation: In order for such amendment(s) to become effective, the same must be approved by an affirmative vote of at least two-thirds (2/3) of the Voting Interests in the Condominium. Thereupon, such amendment(s) shall be transcribed, certified by the president

and Secretary, and a copy thereof recorded in the Public Records of Miami-Dade County, Florida, within ten (10) days from the date of approval of such amendment(s) by the members.

(6) Written Action in Lieu of Meeting: In the event that the members holding the Voting Interests necessary to pass any amendment(s) shall execute any instrument amending these By-Laws, the same shall constitute a valid amendment and it shall not be necessary for the meeting otherwise prescribed above to be held. A copy of such amendment(s), bearing the signature of the member(s), and certified by the president and the secretary as being the amendment(s) so adopted by such members, shall be recorded in the Public Records of Miami-Dade County, Florida, within ten (10) days from the date of approval of such amendment(s).

(7) Developer's Rights; Amendments: Notwithstanding the foregoing provisions, no amendment to these By-Laws to abridge, amend or alter Developer's rights herein may be adopted or become effective without Developer's prior written consent.
