The spot of the murder was an Altar. It became a depiction of a crucifixion whereby the President was executed - being almost like a 'christ-figure' to the masses. Like Christ, his ideals & thinking was not in line with those that control power & had to be eliminated.

The exact site of the Kill Shot is in φ ratio to the Obelisk that later would commemorate the assassination of Kennedy in bronze plaques. The 13 level Obelisk mirrors the Dallas city street grid that has Dealey Plaza as the Capstone.

This assassination was a religious offering that was planned well in advance to coincide with a specific 1) day, 2) location & 3) time. The President was driven up the shaft of the phallic Obelisk that generated a surge of energy that was released at the point the 'victim' was slaughtered at the Pyramids' altar of sacrifice.

In the wake of the 50th Year Anniversary of the assassination of President Kennedy, these charts illustrates some hidden never before revealed aspects of the assassination in terms of number patterns based off of GPS. With the aid of modern GPS coordinates, specific spots on Earth can be numerically identified down to the seconds of degree. The Murder of US President John F. Kennedy in Dallas Texas on November 22, 1963 was a luciferian ritualistic had to take place on a certain date, certain hour, certain angle, certain degree heading to achieve its intended goal. This murder was an act of worship of sacrificially killing of the most powerful man on Earth at the time. It was to take place within the web of the *Masters of the Pyramid 'capstone'*. No mere mortal could have orchestrated these events to be in sync and in precision numerologically. The Pattern involved certain repeating sacred numbers in heading, seconds, & degrees. In essence, this occultic sacrificial ritual was a type of 'crucifixion'. His slow drive up the Obelisk was like Christ carrying His Cross to the spot of His execution. The Dallas city grid Obelisk is a Pyramid of 13 sectioned-off satanic levels of initiation. The 'Capstone' is the 14th as in the 14th 'Station of the Cross' that culminated in the President's assassination and ritualistic murder.

Is it mere coincidence that it was on November 22 and there is precisely .22 miles from the Reunion Tower to the apex of the Dealey Pyramid? Is it a mere coincidence that it is .22 Nautical Miles from the Tower to the Kill Shot were the sacrificial victim was executed upon the Pyramid's 'altar'? All these peculiarities could not have been orchestrated to also correlated to factor the number 33 with Latitude and Longitude. Grid coordinates are fixed on Earth but to have the factor of 'timing' correspond to the calendar day and distance in mathematically impossible to be a random chance.

The city of Dallas, at its center downtown, has a prominent Tower that commands the skyline and overshadows Dealey Plaza called 'Reunion'. This was the crime scene of the murder of the US President John F. Kennedy on November 22, 1963. The Plaza 'triangle' or Pyramid is a hidden 'capstone' of the All-Seeing Eye of lucifer that is awaiting the 'REUNION' to this luciferian temple of worship. The Tower is called just that, Reunion Tower that is beckoning the reunion of what?

It is beckoning the reunion of the 'capstone' with the unfinished pyramid or 'tower' that needs to be completed. This echoes the story of the Tower of Babel that the GOD of the Bible, YHWH interrupted man's effort to achieve 'godhood', etc. In essence, it is the luciferian 'Great Work' of having satan complete his unholy 'temple' or tower amongst men.

From the 'Dark' Tower, if you project several headings in degrees, to the 'capstone pyramid', you end up with some amazing and hidden esoteric and occultic/satanic repeating numbers. They are as always, a factor or 33, 96, 32, 13, 22, etc. Each has its own meaning and reason for usage in influencing people & places. These numbers are sacred in the scheme of witchcraft used to gain supernatural demonic powers by those that are the Masters of the Pyramid.

The exact site of the Kill Shot is in φ ratio to the Obelisk that later would commemorate the event in bronze plaques.

The Obelisk of Death & Sacrifice

Occultic Degree Pyramid Headings

Ritualistic Murder of the US President John F. Kennedy

Dallas Texas - Nov 22, 1963

The Dallas Obelisk has 13 street divisions although some are blurred by modern construction. There is actually a literal model Obelisk of this city grid unapparent to the bystander at the base of the 'Capstone' or the Dealey Plaza entrance that mirrors this occultic phallus. It happens to be in *phi ratio* to the exact spot Kennedy was shot.

The obelisk is a representation of the male phallus that provides seed for a regeneration and reproduction act. It exemplifies the sexual energies released at the point of climax. To this end those sacrificed in most luciferian/satanic rituals involve sexual acts. The victims are chosen for who they are and/o what they represent. When a sacrificial rite is performed at a certain time and place, the power derived from demonic entities multiplies as the greater value of the sacrifice is, the greater power is unleashed & bestowed.

At the center of such world wide sacred geometric grids you find the headquarters of the major secret societies and the major banking institutions. A recurring numerology of 13, 33 and 1776 denote the encoding of a specific time-frame that is to be prophetically fulfilled when the *Master of the Pyramid* himself will 'reunite' with the 'unfinished tower' or obelisk to complete the 'Temple'. The upcoming year of 2015-16 or 5776 in Jewish reckoning will be the Year of Light. Many in the occult believe an are awaiting their prince of darkness lucifer to 'Prometheus' on them.

When using a compass to draw a circle, the 5 points will be spaced at exactly 72 degrees apart with the first point being at the top or pinnacle.
