## RECORD OF SALE FORM

This form can be used to provide an official record of animal sale or transfer to a new owner (in whole or in part) that will be recognised by the AHCS Registrar. It is intended that this form be completed by the Vendor and handed to the Buyer of the animal(s) on the date of sale. This form is optional for use however the Vendor of any AHCS-registered animals is required to complete this form for any animals sold in the case that the buyer specifically requests it.

This form is not intended to replace the Application for Transfer on the reverse of any sold animal's printed Registration Pedigree certificates. However, in situations where the Vendor has delayed submitting Animal Transfer documentation to the AHCS Registrar by more than 30 days after the date of sale, this form may be submitted by the Buyer to the Registrar, accompanied by the appropriate Buyer Transfer Request Form and other supporting documentation, to constitute an application for animal transfer. Approval of any Buyer's request to transfer will be solely at the AHCS Council's discretion.

In the case of a lost Registration certificate, in the first instance the Vendor of the animal(s) concerned should complete a Lost Animal Registration Certificate Form.
