

# 2022 DISTRICT TOURNAMENT RESULTS

**Congratulations to the Kentucky students who have qualified to compete at the National tournament hosted right here in Kentucky!** These are the results of the District Tournament. As students sometimes qualify in multiple events and must give up all but one, or as students sometimes have conflicts and give up their National Tournament spots, the students actually competing for Team Kentucky are listed below in *italics*. Good luck to all these students in Louisville. Team Kentucky is cheering you on!
