**Insurance:**

We are not able to accept any type of health insurance, However, we can provide a letter of receipt that you can submit to your insurance company for possible reimbursement. Because insurance plans vary, please first check with your insurance provider to see if you have out-of-network benefits and whether you will qualify for reimbursement.

Insurance letters can only be given if your account is current and paid in full. Please talk to your counselor about receiving a letter.

**Cancellation Policy:**

If you need to cancel or reschedule your appointment, you must notify your counselor 48 hours before your scheduled appointment time. You will be charged in full for your scheduled session if you fail to contact your counselor in advance. This charge must be paid before or at the time of your next appointment to continue time in the counseling relationship. Exceptions are made in emergencies and court situations only.
