

Cowgirls and Bullboys

Well, the last few years, they've been rough
And, more than once or twice, we've felt like giving up
After all, enough is enough
But, we're American strong and new South tough

We work hard and we play hard
We're Americans through and through
And in a big, big land
Living big is what we do

So, call up your friends, both the girls and the boys
Turn up the music, we'll be making some noise
Raising some hell and breaking some toys

Cowgirls and Bullboys

Now, things are getting better; better everyday
And, you and me together forever
That's how it's going to stay
Yes, boys and girls are different in many ways
But together,
We're tougher than leather
And, a lot more fun at the end of the day

We work hard and we play hard
We're Texans through and through
And in a big, big land
Big dreams is what we do

So, call up your friends, both the girls and the boys
Turn up the music, we'll be making some noise
Raising some hell and breaking some toys

Cowgirls and Bullboys
Cowgirls, Bullboys
Cowgirls, Bullboys

Tonight we're gonna be painting the town
Beer and shots,
We'll be knockin' 'em down
Hey, bartender
Another round

For, the
Cowgirls and Bullboys
Cowgirls, Bullboys
Cowgirls, Bullboys
