I had a dream last night that I was very focused and driven to put these signs up along the top of all of the doors in my house – they were wood plaques with the word “TRY” on them.

When I reflected after waking up, I felt like the Lord was saying this:

“If My people will make an effort, I will come the distance needed, but they have to try.”

I know that I know that this applies to my life in more areas than one and I wanted to share it with all of you today as well in hopes that it will push you to just try, having faith in the Lord to meet you in your efforts.

However this applies to your life, I pray it will bless you and I pray that you will see the Lord be faithful towards you for making the effort to “try” – to give whatever it is that you’ve been procrastinating on or waiting on, thinking of giving up on or maybe just not putting any energy into something that if you did, you would see results – why? Because God is promising to come the distance for you today!

1 Corinthians 9:24 - Don’t you realize that everyone who runs in a race runs to win, but only one runner gets the prize? Run like them, so that you can win.

Proverbs 24:16 - A righteous person may fall seven times, but he gets up again. However, in a disaster wicked people fall.

James 1:3 - You know that such testing of your faith produces endurance.
