

# SPORTS TEAM PARTIES AT LATSHMERE

LATSHMERE SWIM CLUB

Latshmere Swim Club would like to invite all the local sports teams and organizations to a free pool party. If your son or daughter is on a sports team or involved in an organization (cheerleading, girl or boy scouts, camps, daycares, youth groups, dance, karate, etc.) please pass along the contact information below to the coach/leader or team parent/organization president.

The way it works is admission to the pool is free for coaches/leaders and players/participants with a paying parent. All parents and siblings are welcome with a \$4.00 admission fee for non-members. Players, participants and siblings must be accompanied by a parent or guardian. The time is 5:00-8:00PM any day of the week except Friday. Most teams use this as their end of season party but it would also be a great team building opportunity.

The evening parties can also be scheduled for church youth groups, church picnics, company picnics, mommy & me groups, PTO, or other organized groups.

For additional information or to schedule your events please contact Tracy Lee at Latshmere Swim Club to schedule your team party.
