February 2026

FROM THE PRESIDENT

February 1, 2026

Well, we scheduled movie night two Saturdays ago and the weathermen and weatherwomen said we were not allowed to meet because of an imaginary storm. So we rescheduled to last weekend and Frosty himself showed up to tell us no this time. I appreciate all of our members who have lived in more northern parts of our country, in frigid Scandinavian countries, or been stationed in the coldest parts of the world who put up with our efforts to reschedule when a little snow comes our way. Sue's aunt out in California told us over the weekend that, "No one loves snow more than Southerners." I guess she's right. We all stocked up on hot chocolate, chili, vegetable soup, and all the other cold weather foods so we could enjoy the snowy weekend. In case you missed it, the full moon in February is called the Snow Moon and beautifully lit the snow around our house Saturday and Sunday nights. If you enjoyed the snow, went for walks together like Sue and I did, and recognized the beautiful surprises God can send our way during some dreary winter weeks, then I'm with you. If you were inconvenienced by the weather and glad it's over, at least you don't have to fret about it very often in our area. Lastly, I want to thank all of the people who had to work to keep our world going during

the snow. Please keep in your prayers the first responders, medical staff, mechanics, road crews, and all of the others who did not get to stay home and build snowmen with their kids because they had to go to work. Please be sure to share a word of encouragement if you see someone serving in one of these roles. If you don't see them, remember they are working hard behind the scenes to keep everything from falling apart.

Please make plans to support and assist with our Yard Sale Fundraiser on April 17 and 18, 2026. More details are coming soon.

Thank you all for everything you do to take care of me and this club.

Scott Wilkes
