

Tom's Archived Interviews

We have done our best to compile an updated list of interviews that Tom has done in the past on the internet, radio and television. We encourage you to visit the relevant websites for each interview to show your continued support of Tom and his work, as the more visits an archived show gets, the more likely it is that Tom will be invited back, and that's a good thing. We also recommend you visit Tom's YouTube page on a regular basis. Many of the interviews and radio shows he does are posted there directly. We have not included any interviews on this list that are no longer available to the best of our knowledge.

If you are aware of any available interviews that we have not included here then please let us know. If you could also report any dead links or problems to us at keith@mbtevents.com it would be much appreciated.

Thank you!

Note: Laurie Huston currently has Tom on her radio show the last Tuesday of every month. Be sure to visit her site and look through her archives at <http://www.intuitivesoul.com>

Nicole Whitney has done numerous interviews with Tom. Visit her free archives and help support her show at <http://www.newsforthesoul.com/shows/soul-sunday-series/>
