Spring 2020

Message from Bradley Welborn

As the entire world strains and readjusts to how to handle the virus, Hannah's Hope has not been immune to the change and disruption in their lives.

The country of Cambodia has locked down from foreign travel, limited social gatherings, closed schools and closed businesses. This has confined all Hannah's Hope children to the home. Ravy has done a wonderful job keeping the children involved, healthy, studying, worshipping and exercising.

The ability to keep 45 children plus adults confined to the home without going stir crazy is a monumental achievement for which Ravy and Chealin are to be highly commended. Our entire staff has risen to the challenge and we are grateful.

Continue to keep them in your prayers during this time.

Message from Ravy

Ravy says (as of April 8) there are 117 confirmed cases of coronavirus in Cambodia. So far, everyone at Hannah's Hope is safe and healthy. They have been in a stay-at-home mode for a couple of weeks now.

Hallelujah

Praise God! Thai, age 15, put Christ on in baptism. Ravy reports that Thai has no siblings at Hannah's Hope and that he has been studying the Bible for a number of years.

Phanat went with Sophean in early November for his doctor's appointment and everything went well! The doctors said everything is going just as planned and even better. They were pleasantly surprised when they found out that he was dry when using the catheter. The next phase will be surgery so he will not have to use the catheter any longer. But the current surgeons are not specialists in that area so they plan on bringing in the top surgeon in that field to perform the surgery for Sophean next year! God is so good!

Mango Tree

Hannah's Hope has a mango tree on the property. They are reaping the benefits of it!

Christmas 2019

Book Club

Ravy has started a Book Club at Hannah's Hope. When they finish reading a book, they get one point. When they reach a certain goal, they are rewarded. Some of the rewards are an English dictionary, a Khmer dictionary, a mirror, a Khmer story, or a comb.

Surviving the Coronavirus

In order to keep the children occupied during the lockdown time, a soccer goal and a new tv were added to Hannah's Hope.

Please continue to pray for the work at Hannah's Hope as it is touching the lives of many children. Pray for God's guidance, God's wisdom, and God's direction. Most importantly, pray each of these children will grow into faithful Christian men and women who continue to spread the gospel.
