Tax Collector Ext. 101

Terry Ryan  
Public Works Ext. 102

# BOROUGH OF BRADDOCK HILLS NEWSLETTER

## ***BRADDOCK HILLS ANNIVERSARY CELEBRATION***

On May 2, 2026 Braddock Hills Borough will turn 80! To mark this auspicious occasion, we will be revisiting our history and celebrating our present. Here's how you can help:

**Volunteer:** The event planning committee meets on the 3rd Thursday of each month at 7:00 PM at the Senior Center. Everyone is welcome to attend these meetings.

**Tell your story:** Do you have a fun fact or great story about the history of our neighborhood? Please submit it to the planning committee via email at [BraddockHills80@gmail.com](mailto:BraddockHills80@gmail.com) or mail it to the Borough Office in care of the birthday committee.

## **BE STORMWATER SMART DURING THE SUMMER SEASON**

- 💧 **Plant a raingarden** Rain gardens are native plants set in a hole or trench in the ground to help rain water infiltrate into the ground.
- 💧 **Set up a rain barrel** You can capture rainwater off your roof with a rain barrel, and then use the water in your garden or let it infiltrate slowly into the ground.
- 💧 **Lawn care** Don't overwater your lawn. Consider using a soaker hose instead of a sprinkler. Use pesticides and fertilizers sparingly. Use organic mulch or safer pest control methods whenever possible. Compost or mulch yard waste. Don't leave it in the street or sweep it into storm drain.
- 💧 **Keep basins clean** Wash vehicles on surfaces that the dirty water and chemicals do not end up in basins. Also, do not dump anything into basins (household chemicals, feces, trash, food, etc.).
