

Dalton Shrader
September 3, 1993 — May 30, 2025

The family is saddened to announce the passing of Dalton Wayne Shrader on May 30, 2025, at 31 years of age. He was taken way too soon. He loved nothing more than making memories with his family and friends. From being in the outdoors fishing, camping, and even using his amazing artistic ability in his beloved passion of welding.

Dalton was born on September 3, 1993 in Kearney, Nebraska. Raised in Plainville, Kansas, until 2002 when the family planted roots in Newcastle.

Dalton was preceded in death by his grandmothers Deb Taylor, Clarissa Benge and grandfather Terry Shrader.

He is survived by his parents, Wayne and Tina Shrader; fiancé Alivia Hamady; their four children, Camden Shrader, Hadley Hedrick, Ryleigh Shrader, and son, Easton Shrader; his sister Whitney (Bucky, Mason, Kiah) Rawhouser, twin brother Darryk Shrader (Eliyana, Cash); and several aunts and uncles; and lots of cousins.

He was so very loved by many, others that felt like a brother to him, or family, and all his close friends. He will missed but never forgotten.

A Celebration of Life took place at Farnsworth Services on Friday June 6, 2025 at 4:00 p.m.
