The Village Clerk shall also deliver to the owner, at the time of issuance of the license, a tag of durable material bearing the same serial number as the license, the name of the county in which issued and the license year. issuance of a license tag, replacement tags may be purchased by the dog owner for a fee equal to the cost of the initial license.

ADULT ENTERTAINMENT

SECTION 7.45 Purpose.

- (a) The Village Board of the Village of Arlington has explicit authority under Wis. Stats. § 125.10(1) to adopt additional regulations governing the sale of alcohol beverages which are in addition to those set forth in Wis. Stats. Chap. 125.
- (b) The First Amendment of the United States Constitution protects the rights of individuals to present adult entertainment which includes nude dancing, nude entertainment or material with themes or content of a sexual nature. The Village of Arlington may not, and does not desire to, interfere with the right of individuals to present or to attend adult entertainment. Individuals in the Village who do not choose to present or attend adult entertainment also have constitutionally protected rights to privacy and security in their property. The Village also has an interest in maintaining order and preventing negative effects from any business which will generate substantial customer volume, automobile traffic and impact

on the neighborhood's surrounding adult entertainment establishments. These concerns require the Village to exercise its police powers to ensure that the exercise of the First Amendment rights is not conducted to the detriment of the rights of others. In order to ensure that adult entertainment establishments may operate without adversely impacting the community, and therefore, to make it possible for individuals to exercise their First Amendment rights, the Village of Arlington finds that it is necessary and appropriate to adopt a licensing ordinance which allows the Village to ensure that adult entertainment establishments are created in a fashion which does not cause unacceptable impacts on the rights of others.

- (c) It is a lawful purpose of the Village Board to enact rules and regulations as are necessary for the preservation of health and to prevent the spread of AIDS and other communicable or sexually transmitted diseases in the Village of Arlington. It has been found by municipalities through the State of Wisconsin, as well as communities around the country, that sexually oriented adult entertainment establishments are predisposed to the creation of unsafe and unsanitary conditions; that operators and employees of such businesses tend to participate in sex-related offenses on the premises, creating substantial law enforcement problems, and that the operational characteristics of such businesses have a deleterious effect on surrounding areas, resulting in neighborhood blight and reduced property values, especially when such businesses are concentrated in one area. Many of such establishments install movie viewing booths with doors in which patrons view videotapes, movies, films and other forms of entertainment characterized by their emphasis on depicting, describing or relating to specified sexual activities or specified anatomical areas, and that such booths have been and are being used by patrons to engage in sexual acts resulting in unsanitary, unhealthy and unsafe conditions in said booths and establishments. Sections 7.46 through 7.58 are intended to establish standards in order to prevent the spread of AIDS and other communicable or sexually transmitted diseases, and to eliminate the deleterious effects described above in the Village of Arlington.
- (d) The Village Board finds that there is an increasing likelihood of commercial exploitation of human sexuality by owners of premises holding "Class B" and Class "B" alcohol beverage licenses in the State of Wisconsin. Such exploitation takes place in the form of employing or permitting persons to perform or exhibit their nude or semi-nude bodies to other persons as an inducement to other persons to purchase alcohol beverages. The direct result of such exploitation is criminal activity, moral degradation and disturbance of the peace and good order of the community. In addition, this commercial exploitation of such nude and semi-nude acts is adverse to the public's interest in the quality of life, commercial activity and total community environment in the Village of Arlington.
- (e) It is the purpose of Sections 7.46 through 7.58 to regulate Adult Entertainment Establishments and Adult Oriented Establishments to promote the health, safety, morals, and the general welfare of the citizens of the Village of Arlington, to aid in the alleviation and prevention of the adverse and deleterious effects of criminal activity and disruption of the public peace associated with such establishments, and to establish reasonable and uniform regulations to prevent the serious health

hazards associated with unsafe and unsanitary conditions known to exist in those establishments and to alleviate the spread of sexually transmitted diseases and other contagious diseases in those establishments.

SECTION 7.46 License Required.

- (a) Unless a license has been applied for and granted under Section 7.51 below, it shall be unlawful for any owner or operator of a premises holding a Class “A,” “Class A,” Class “B,” “Class B,” Reserve “Class B” or “Class C” Alcohol Beverage license to permit any person to:
 - (1) Expose to public view on the licensed premises any specified anatomical area;
 - (2) Appear in a state of nudity;
 - (3) Employ any device which is intended to give the appearance of or simulate such specified anatomical areas; or
 - (4) Publicly display or perform any sexual conduct, sexual intercourse or specified sexual activities on the licensed premises.
- (b) Any person holding a license as described in paragraph (a) above who permits a violation of (a), above, shall be subject to revocation of all alcohol beverage licenses issued by the Village to the license holder.
- (c) No person shall open premises to the public offering live performances by persons appearing in a state displaying some portions of specified anatomical areas not covered by fully opaque coverings, regardless of whether such persons are paid for such performance, unless the person opening the premises has obtained a license from the Village Clerk pursuant to this Section.
- (d) Unless a license has been applied for and granted under Section 7.51 below, no Adult Oriented Establishment shall be operated or maintained within the Village.
- (e) The licensing requirements of Section 7.49 through 7.51 shall not apply to live, theatrical, musical or dance performances occurring or conducted at a theatre, playhouse, community center, civic center, or performing arts center where the predominant business attraction is not the offering to patrons of entertainment which is intended to provide sexual stimulation or sexual gratification to such customer and where the establishment is not distinguished by the emphasis on or advertising or promotion of employees engaging in nude erotic dancing. This exception shall only apply to establishments whose receipts from food and beverage sales do not exceed fifteen percent (15%) of gross receipts.

- (e) The Village Board shall request additional information, approve, modify, or reject the application within sixty (60) days of the application; the reasons for the action taken shall be specified in the written findings of fact of the Village Board.
- (f) Whenever an initial application is denied, the Village Clerk shall, within fourteen (14) days of the denial, advise the applicant in writing of the reasons for such action.
