

Ashtead All Stars Netball Club: Weekly Update

W/E Sunday 9th October 2016

Dear everyone,

This weekend saw the first League Matches for our U10s. The girls showed some real dogged determination and feisty competitive spirit which really bodes well for the future. Please see the results below. Last year I used to publish Match Reports for every team, but to be honest it was quite exhausting to prepare all the Reports after a long day at Nonsuch. So this year it is just results, with match reports sent out separately if someone has the time and inclination to write them. If any parents or spectators feel like submitting a match report, then that would be brilliant! Please send them to me and I will distribute. Ruth has kindly written reports for the U10 White team and the U11 White team, and these are attached to the email.

We will know by next week if we have any girls accepted for the Surrey Academies. Well done all of you for reaching this stage.
