**SPRING 2013**

## A message from the President

- Tom Becker -

Dear Southport Members,

This "1-pager" is intended to pass along some of the more urgent club news. First the good news. The members who were found with elevated blood lead levels (BLL) last year have all reported being back to normal! The newly installed cleaning procedures, personal hygiene directives and ventilation system are doing the trick. Let me personally thank those members who are providing the weekly, quarterly and annual maintenance activities and those who donated their time and funds to get it all done.

As shown a the right, we are sponsoring the Wisconsin Indoor Pistol Championships this April, 5-7, 2013. Match flyers are posted on our website. I encourage all club members to participate. We are also in need of a couple members to provide range officer duties during the weekend shoot. Dues credits will apply. Please contact Ron Settle.

On a related subject, Ron Settle must resign the Match Director appointment due to changes in his work schedule. It is imperative that we replace him right away. Ron will be completing the season with the Wisconsin Indoor Pistol Championship and this would be a good time to transfer his knowledge to the next MD. The job involves about 20 hours of time per event. We generally do three invitational pistol events per year. Dues credits, up to 12 months per year, apply. Please contact Ron directly.

Clint McMaster, Club V.P., has resigned from the outside maintenance (general grounds care) responsibilities. We are, therefore, looking for a member who is interested in taking on those tasks throughout the season. This involves one hour of lawn mowing, perhaps every other week, mower maintenance and any brush or weed-whacking that may be necessary around the club house grounds. Dues credits apply. Please contact me at (262) 694-1681.

A number of members have been providing firearms safety classes for concealed carry weapons training. **REMINDER:** club policy requires:

- CCW programs may not interfere with member access to the range.  
**Note: NRA training courses have priority over member access.**
- All participants must sign the Release and Indemnification form.
- A \$10.00 fee is required from participants using the range for live fire.
- Guns introduced to the shooting line must be unloaded and in a case.
- No shooting from in front of the yellow line.
- No "quick draw," "shooting from the hip" or "spray and pray."
- No human images or human-like silhouette targets.
- More than 5 shooters requires additional range safety officers.
- Use of ECU's (empty chamber indicators) is required.
- All other range restrictions and maintenance activities, apply.

*Best of the outdoor season,*

*Tom*
